It is reported that oil has been struck on the Mojave desert, three miles north of Hiawatha, a station on the Santa Fe in San Bernardino county.

County Division

A map has been published showing the lines proposed to be followed by Senator Stewart's county division bill.

Lincoln county is divided on the third standard paralell, which passes just north of the towns of Bunkerville and Mesquite.

Such a division could not be improved upon and will meet with the favor of the people of Southern Lincoln.

Las Vegas would be approximately the geographical center of the new county.

Recalls Tragedy

George Cross died at Fallon last Tuesday night of pneumonia. The death of Cross recalls the awful tragedy enacted on the desert in Lincoln county in the year 1897, when one John Hancock, a prospector, brutally murdered Peter Edmundson and Dr. Engelk, mutilating their remains and appropriating to himself their wagon, team and outfit. At the time of the murder Hancock was living with Mrs. Cross. Among the deceased man's effects were papers which would tend to confirm the belief that this woman was none other than the wife of Geo. Cross.

The Old Year Out

In closing our year's business we wish to express our gratitude for the liberal patronage extended us by the retailers of Southern Nevada during our short term of experience in business among them.

It is not without some pride that we refer to the fact that we have attracted the interests of the trade by many points in our favor while competing with two large and active cities in our desert field, and we wish to assure our best efforts during the coming year to materially improve in our service in every way possible, to which end we have secured one of the largest and best brick stores in the Southern portion of he state. We handle all grades but recommend only the best.

We dont flatter ourselves with the idea that we are competent to successfully deceive the public.

Remember we have no pet brands that we are "long" on, which we are putting forward as our "leaders." The retailer should best know what he desires to handle. Name the brand and age you would like to handle during the coming year and we will attempt to save you money on it, even though you are buying direct,—no matter whether warehouse receipts or tax-paid goods.

Remember we have the advantage of buying in large quantities and we want your business.

Thanking you once more,
SOUTHERN NEVADA WHOLESALE LIQUOR STORE
