A FEW WINDSOR PARK HOME OWNERS AND WHAT THEY THINK

MR & MRS ROBERT TOLEFREE

My total monthly payments are only $104.00 which includes my taxes and fire insurance-AND NO GIMMICKS. I'm happy and satisfied. . . . . .

SGT. & MRS ALBERT GRIER

The low price and FHA Financing was music to my ears. I was glad to find out that there realy are NO SECONDS here. Come and see for yourself.

MR & MRS OSCAR BURNS

We have lots of room now and I'm only minutes from the strip where I work. My kids have room to play. This is the way to live.

MR & MRS CURTIS MYLES & FAMILY

Our payments are less than rent, and I am happy that I'am a property owner with a good investment for the future. This is a good deal for all.

REV. EARL

There have been so many bad deals and false stories told by salesemen in our community. If you want an honest deal , buy a home in WINDSOR PARK.

MR & MRS JESSIE ROBINSON

4 bedrooms and 2 baths. Man-this is living-and at a price that fits my budget. I was never happier.
