SOCIETY

Mrs. A. C. Grant entertained charmingly with a bridge luncheon this afternoon honoring her mother, Mrs. Marble. The prizes went to Mrs. C. C. Boyer and Mrs. Will Beckley. Guests were Mesdames W. R. Bracken, Charles P. Squires, Roy W. Martin, W. E. Ferron, Leo A. McNamee, Will Beckley, Roscoe Thomas, and C. C. Boyer.

Mr. and Mrs. A. M. Minnette had as their guests at dinner last evening Mr. and Mrs. J. H. Lightfoot, and Mr. and Mrs. C. E. Pembroke.

Mrs. Walter R. Bracken arrived home this morning after a trip to Phoenix and Tuscon, Arizona, and to Los Angeles.

C. C. Boyer, division engineer returned last evening from a trip to Tonopah.

B. Y. P. U. HEARS CONVENTION REPORT

Mr. A. F. Loveridge of the Sparks Tribune staff arrived in Las Vegas Sunday morning, and atetnded meetings of the Baptist Young People's Union in the afternoon and evening.

Mr. Loveridge was delegate from Nevada to the National Convention held at Kansas City last July, and brought to the Las Vegas organization a report of the convention.

At the afternoon meeting he explained the commission plan formulated by Edwin Phelps, General Secretary of the B.Y.P.U. of America and by Miss Edna Umstott, Life Service Secretary, with offices in Chicago. This plan is designed to distribute the work of the organizations, taking some of the burdens from the officers.

Included in the Nevada Convention are the California towns of Susanville, Alturas and Loyalton, and is known as the Nevada Sierras Convention.

Mr. Loveridge also gave a report on the Asilomar Conference held in July which was attended by the Northern California organizations.

This is the first time a National delegate has been able to come to Las Vegas and the meetings were enthusiastically attended. Mr. Loveridge has just completed visits to Elko, Winnemucca, Reno, Sparks and the California towns.

U. S. C. YEARLING COACH HAS 2 PERFECT YEARS

LOS ANGELES, Dec. 6, (AP)—Leo Calland, freshman football coach at the University of Southern California, disproves the belief that a gridiron mentor cannot turn out an unbeaten team in his first year. He has done it twice.

In 1923 Calland took over the freshman coaching reins at Southern California and put his wards through a six game schedule without a loss or a tie. Then he became assistant varsity coach for four years. This year he returned to the freshman squad and disbanded his aggregation after playing a full season of six games, without his team's goal line being crossed, although heldb y California Freshmen to a 0 to 0 tie, piling up 157 points to zero for the opponents.

STUDENT BOXING WAY THROUGH UNIVERSITY

PHILADELPHIA, Dec. 6, (AP)—Theodore "Kid" Snowden, young negro student, is attending Lincoln University and the "college of hard knocks" at the same time.

And his ability to deliver sundry hard knocks as well as take them enables him to earn his way through the university.

As a professional boxer in his spare time, "Kid" Snowden has a record of 23 successive knockout victories. Recently he advanced thec ause of education by stopping Jimmy McDonohue of North Penn, Pa., in the first minute of their scheduled 8-round bout here.

PLAYER, IN THE CLEAR, STOPS AT 5-YARD LINE

CLEVELAND, Dec. 6, (AP) — "Butts" Butzberger, Oberlin's great ball-runner, pulled one for the book in a game here between Western Reserve and Oberlin, rivals of long standing.

Witht he ball on his own 42-yard line, Butzberger ran through the opposing team and merely had to complete his dash to make a touchdown. But as he passed the five-yard strike he swung in and touched the ball to the ground.

Butzberger had mistaken the five-yard line for the goal line. Oberlin finally plunged through for the score, the only touchdown Reserve allowed in a 20 to 6 victory.

Every delay, which means a day, in placing your order for the winter's supply of coal can mean a loss to you, because local dealers cannot control prices and a cost-at-mine advance means you must pay accordingly. Then too, delivery now means a good-first-grade coal at minimum cost, whereas rush delievery when winter storms and cold blow, may mean that you'll be glad to have inferior mining at any price.

FLYING WHILE DRUNK LANDS PILOT IN JAIL

SHABATZ, Jugoslavia, Dec. 6 (AP)—A young military pilot is awaiting trial here for flying an airplane while drunk. He appeared suddenly over the township of Shabatz and began to perform thrilling and unprecendented stunts.

Policemen swooped on him when he touched the ground and placed him under arrest. He managed to escape and resumed his dangerous sport, remaining in the air for an hour. He finally landed and allowed himself to be capture.

Many a fellow who thinks he feels like a two-year-old is merely trying to act like one.
