ISSUE 2

SPRING

ORIENTATION ISSUE

1987

by Dean Robert Ackerman  
Dean of Student Services

Welcome: While you were busy with preparations in anticipation of joining the UNLV student community, many people here were also working to help make you feel comfortable and to get you off to a good and positive start.

This special edition of the student newspaper and the new student orientation program are but two examples of how the campus was made ready for your arrival.

You could not have picked a better time to come to UNLV. A group of your fellow students have, through hard work and great team effort, brought national acclaim as the top ranked major college basketball team.

Now that you are part of this community you share in the special excitement that is Rebel basketball.

The next few weeks should see the ground breaking for the new College of Engineering building.

And, not long after that, the long awaited Greek Row, residence halls, park and dining commons construction project should begin.

New construction is one sign that an institution is moving forward and this one is very much doing that. You join an environment rich in ideas, programs, opportunities and projects. All around you there is activity.

I invite you to become a part of and involved in those many things that go on. There is something here that fits your interests, this paper is full of possibilities.

But if your interests are not reflected here, look around or ask someone. Chances are that if you become bored it's because you did not get involved.

Take your academic work seriously; it is true here as it is in most of life's experiences, that achievement follows effort.

So be willing from the start to put forth the effort. Involvement is important in the classroom, too. Ask questions, meet with your academic advisor, talk to your professors — become an active participant in your education.

The first few days will be confusing but very quickly you will fit in as you come to understand the system. Don't let the confusion get you down — a lot of people are here to help you sort things out, but you will have to ask.

My office is in the Humanities Building, room 330, and I look forward to meeting you and to being whatever help I can.

We are glad you are here. Best wishes for your every success.

# Registration Information

## How To Walk Through Registration Jan 21 & 22

**Registration.** Regular registration will begin on Jan. 21 and 22. The process for registration is not as hard as it seems, if care is taken to understand directions.

**1. Obtain Registration Form** — Registration forms will be distributed in the Moyer Student Union Fireside Lounge, according to the schedule listed in the Spring catalog. Students who cannot register at their scheduled time may register at a later time or during late registration. Registration forms will not be issued in advance of the scheduled time.

**2. Read Instructions Located On The Reverse Side Of The Registration Form** — Be careful when filling in the CREF number (Course Reference Number) on the registration form to make sure you use the correct number for each of the courses you are registering for.

**3. Obtain Departmental Approval For Each Course** — All academic departments will be located in the

Moyer Student Union ballroom on January 21-22. Department approval must be obtained for each course from the appropriate department.

**4. Complete Registration Form Check And Fee Payment** — Registration form check and fee payment will be in the Moyer Student Union second floor lounges for all students not on financial aid. Registration form check and fee payment will be in Frazier Hall for all students who are receiving financial aid. All registration forms must be checked at the Registrar's Office before fees may be paid.

Credit overload petitions must be approved in advance of registration and presented at the time the registration form is checked. Forms may be obtained from department offices.

Registration is not complete until fees have been paid.

**Late Registration.** Begins on Jan. 26 and runs through Feb. 3. Registration forms can be picked up at the

Registrar's Office. Course approvals can be obtained at the different department offices from 8am to 5pm.

Packet checks and fee payment will be on the second floor of the MSU on January 26-27, and in Frazier Hall on Jan. 28 through Feb. 3.

Late fees are charged to any student registering for 7 or more credits.

**February 3** is the last day to register, pay fees, add courses, or change registration — including change of section and change of grading option — except change from credit to audit.

**University I.D.** To obtain a University I.D. have your

picture taken on the first floor of the MSU after registration.

You will need your registration receipt in order to obtain your first I.D., your first I.D. is free. There is a \$10 fee to replace your I.D., should it become lost or st-

olen.

Your student I.D. entitles you to student discounts and to entry to numerous campus events.

**Adding & Dropping Courses.** Any student wishing to add or drop a course, should pick up the appropriate form at the Registrar's Office.

If you are adding a course

or changing a section, you will need to take the form to the appropriate department for approval.

Adds or drops are not official until the form is returned to the Registrar's office.

There are deadlines for adding or dropping a course. After Feb. 3, you cannot add another course to your schedule.

After March 20, you will not be able to drop a course without department approval. Please be advised that if you do not complete the official forms to drop a class, even if you stop attending the class, the grade on your report card will be an "F"

After March 20, if you need to drop a course, you will have to get the instructors approval. Note: Many instructors will not grant withdrawals after the deadline unless there are extenuating circumstances.

If you withdraw from a class after the deadline, a grade of WF or WS will be recorded.

**Credit Overloads.** There

are certain limits to the credits you can take at UNLV. If you want to exceed the credit limit you can get forms and approval from your major department.

**Credit Load Limits**

## Registration Advice For Seniors

The Senior Citizen Program, coordinated by the Dean of Student Services Office, offers to persons 62 years of age or older the chance to register for credit or audit any course without paying fees.

A few restrictions apply, such as registration shall not entitle a person to any privileges usually associated with registration; e.g., student association membership, health service, intercollegiate athletic tickets.

As a special student, you are allowed to take a maximum of six hours of credit per semester, without being officially admitted to the University.

While there is no limit to the total number of credits you may earn as a Special Student, only 15 credits may be applied towards any degree.

If you have ever been admitted to the University, enrolled in classes and withdrew, you must file a returning student application. This form can be completed in the Senior Citizens Office or in the Registrar's Office.

Grading, satisfactory and failing and auditing procedures are the same as with regular registration. If you add or drop or withdraw from the university all together, you must let the office know.

All deadlines for these procedures are the same for all students. For assistance, stop by the office or call.

Senior Citizens can obtain a student ID card by presenting the proper form (completed during registration) at the

ID photo room in the MSU. There is no charge for an ID card. Hours and dates of operation will be given to you at the time of registration.

A special plus for senior citizens is offered by Saga Food Services. They give a 20 percent discount to any senior citizen who wishes to eat lunch in the dining commons (located at the south end of the MSU building).

You must present your student ID card at the time you pay for your lunch.

Senior citizens have the privilege of using the facilities in the McDermott Physical Education Complex (e.g., tennis courts, swimming pool, etc.). Reservations can be made by calling 739-3150. You must present your ID card upon arrival.

Lockers are available at a cost of \$5 per semester plus a \$5 refundable fee for the lock. You must show your ID card at time of sign-up in the MPEC.

Although classes are paid for, lab fees are not. These are due at the time of registration. If a senior citizen registered for four or more credits and then drops a class with a lab prior to the end of the first week of instruction, they will receive a full refund of the lab fee.

The office suggests that if a senior student is new to the campus, they should come to the office. The office is located on the third floor of the Humanities building.

## New Rules For Student Loans

Legislation was passed in October which extends the federal financial aid programs for the next five years. The legislation revised many of the existing programs and laid the groundwork for the creation of several new programs. Of the changes included in the Higher Education Amendments of 1986, two areas will most significantly impact the students at UNLV. Dependent vs. Independent Status

New standards have been set for students to be considered financially independent of their parents. Beginning with the 1987/88 academic year, a student must meet one of the following criteria to be considered financially independent: 24 years or older on 12/31/87; An orphan or ward of the court; A veteran of the U.S. Armed Forces;

A graduate or professional student, or married student, who declares that he or she will not be claimed as a dependent for income tax purposes by his or her parents (or guardian) for 1987; A student with legal dependents other than a spouse; A single independent with legal dependents other than a spouse; A single undergraduate not claimed as a dependent for income tax purposes by his or her parents or guardian in 1985 or 1986 and show a minimum income of \$4000 for 1985 and for 1986

Students who do not meet one of these criteria are considered dependent and their eligibility for financial aid is determined by an evaluation of both the student's and parents' financial status. Guaranteed Student Loan Eligibility

In the past, the Guaranteed

Student loan Program was available mainly for those students whose income was not sufficient to meet their college expenses but who did not meet the strict income requirements for the other federal financial aid programs. The new legislation now requires, however, that students must have financial need to be eligible for a Guaranteed Student Loan.

This charge will limit the availability of these loans to students who have low income and will require all GSL applicants to complete an ACT or CSS Financial Aid Application before their eligibility for the Guaranteed Student Loan can be determined.

Students who plan to apply for a Guaranteed Student Loan for the 1987/88 academic year should submit the ACT or CSS Finan-

cial Aid Application at this time so that their eligibility can be evaluated. Students should allow a minimum of six weeks processing time for the ACT or CSS application. Once the student's ACT or CSS application is processed, Student Financial Services will use ACT/CSS information to determine if the student has financial need. If the student does have financial need, the Guaranteed Student Loan Application can then be submitted for processing.

Those students who no longer qualify for the Guaranteed Student Loan Should contact Student Financial Services for information regarding the Supplemental Loan for Parents and the Supplemental Loan for Students. Information and application forms for these two programs should be available in March.

## KUNV, A Great Place To Learn Radio

UNLV is one of a handful of universities in the nation that has a full time FM radio station essentially run entirely by students.

The station is KUNV and it is located at 91FM on the radio dial. On campus the studio facilities can be found on the third floor of the Moyer Student Union.

KUNV welcomes any and all participation from the stu-

dent body.

If you have an interest in radio or would like to serve the community in some manner, KUNV is a great outlet.

You do not have to have any prior experience, just a desire to volunteer some time.

We can train you in any department you might be interested in.

With the diversified pro-

gramming that we offer including jazz, rock, blues, reggae, electronic/new age, public affairs, and more, there are a multitude of things to do and help out on.

We also have a fundraising department as well as a department of engineering. To coin an overused but appropriate phrase, there is something for every one.

KUNV will be holding an

Orientation session on February fourth at 3pm on the second floor of the Moyer Student Union. Any and all interested students and faculty are welcome to attend as we explain to you the ins and outs of Community Radio.

If you can't make it, please listen to FM91 and let us know what you think.

Have a happy semester!

They also pay the national wholesale price for texts not adopted by the faculty for the coming semester. The store cannot buy old-edition textbooks as they have no value once they are revised.

3. The bookstore accepts a personal check with a check guarantee card and drivers license, both are a must. They also accept Visa and Mastercard.

The management and staff of the UNLV bookstore are constantly finding new ways to improve the service they provide and welcome any comments or suggestions you, the student might have.

## Apply Now For Student Loans

If you have not yet applied for financial aid for the current semester, funds are still available through the Pell Grant and Guaranteed Student Loan Programs.

Pell Grants are provided by the federal government to admitted undergraduate students who are enrolled in six or more credits and who have been determined to have financial need.

To apply for the Pell Grant you may pick up the Application for Federal Student Aid at Student Financial Services (Flora Dungan Humanities Bldg., third floor) and send your completed application to the Pell Grant Program.

You will be sent a Student Aid Report within 4-6 weeks which will tell you if you qualify for a Pell Grant. If you are eligible, you then submit the Student Aid Report to the Student Financial Services who will process your grant for you.

Guaranteed Student Loans are also available to assist students who do not have sufficient money to pay for their expenses.

These loans are offered by various banks and credit unions and applications are processed through Student Financial Services. Eligibility is partly determined by

family income and students are required to apply for the Pell Grant prior to applying for a Guaranteed Student Loan.

Interest rates vary from 7-9 percent and repayment does not begin until six months after graduation or withdrawal from at least half-time attendance.

You should expect the processing time to take six to eight weeks from the time your application is submitted to Student Financial Services. The application deadline for the Spring semester is February 15.

Counselors are available in Student Financial Services

to answer any questions you may have concerning your eligibility for these programs. The Student Financial Services also has listing of several student employment opportunities available both on and off campus.

1987/88 Academic Year Application information for these programs and all the other federal grant, loan, and work programs for the 1987/88 academic year are now available in Student Financial Services.

Application for the 1987/88 academic scholarships are also available. Because funding is limited, you should apply NOW.

## Everything you ever wanted to know about Financial Aid

The following is a list of questions that students most often ask financial aid counselors. We hope they will answer some of your questions, too.

### When do I apply?

You should complete your applications as soon as they become available each year in January. All 1987/88 applications are now available and because funds are not sufficient to meet the needs of all eligible students, the deadlines should be followed closely. Applications for federal grants, loans, and workstudy should be mailed by February 15 so they can be processed by the April 1 deadline. Applications for academic scholarships must be received by Financial Student Financial Services by March 1.

### Do I have to include information about my parents on my application?

The federal regulations which determine whether or not you are a dependent or independent student have just been changed. If you are considered dependent, you must include your parents' information on your application.

A student is independent for 1987/88 if she or he is: 24 years or older on 12/31/87; an orphan or ward of the court; a veteran; a graduate or professional student, or married student, who declares that he or she will not be claimed as a dependent for income tax purposes by his or her parents (or guardian) for 1987; a student with legal dependents other than a spouse; a single undergraduate not claimed as a dependent for income tax purposes by his or her parents (or guardian) in 1985 or 1986 and show a minimum income of \$4000 for both 1985 and 1986.

### If I get an "F" or drop a class, will I have to repay all the money I received?

All of the federal aid programs and academic scholarship programs require you to maintain a certain grade point average and to complete a specific number of credits each semester. Your aid may be cancelled if you do not meet the academic requirements. Because these requirements vary depending on the type of financial aid you receive, you should contact the Student Financial Services for additional information.

### How do I know what to apply for?

Counselors are available in Student Financial Services to help you identify the programs for which you might qualify. You can stop by Student Financial Services or call for an appointment.

### What can I do if I don't qualify for the federal aid programs?

Several other alternatives are available through Student Financial Services. Academic Scholarships and Grants-in-Aid, on and off-campus employment, Supplemental Loans for Students, and Supplemental Loans for Parents.

### Can you help me find a job?

The Student Employment Office (or "The Job Place"), can refer you to several jobs both on and off campus. Student Employment is located in Student Financial Services on the third floor of the Humanities Building.

### How much money can I get?

The amount received depends on many different factors. Several students receive sufficient funds to pay for their fees and books and a portion of their living expenses while they attend school.

### Do I have to attend full-time to receive aid?

Academic scholarships are typically awarded to full-time students although a limited number are available to part-time students. You may qualify for the federal aid programs if you are attending on at least a half-time basis as long as you have been admitted.

### Can I receive aid as a graduate student?

Although federal grants are only awarded to undergraduates, graduate students may apply for funds through the federal loan and workstudy programs. Graduate students should also contact the Graduate College for information on graduate scholarships.

## About The Dorm

Tonopah hall is one of only three student operated dormitories in the country. It is a six story co-ed dormitory that houses 260 students on a double occupancy basis. We provide the residents with an atmosphere that is conducive to both the educational and social environments of a residence hall.

Tonopah Hall also provides many different services to residents like study lounges, T.V. lounges, laundry facilities on each floor and a 24 hour security service provided by the staff of Tonopah Hall.

The Student Director, William Pell, oversees the daily operations of the residence hall as well as supervising a staff of five Resident Assistants and six Security personnel.

The Tonopah hall staff is a group of carefully selected students who provide the residents with guidance and help in making their stay at Tonopah Hall a great experience.

Some of the "elite" group staff are the Resident Assistants. They are: Chris Leyba(6th floor); Zane Jordan (5th floor); Keith Johnson (4th floor); Adam Bassuk (3rd floor); Todd Huchendorf (2nd floor) and William Pell (1st floor).

In addition to the Resident Assistants there is the Security staff (a.k.a. "The All-Nighters Club") consisting of Terry Shockley, Curtis Cribbs, Crombie Hatfield, John Ocegüera, Dave Garcia and Robert Kozin.

The residence hall is also in the process of a complete renovation project.

Some of the improvements that have been completed thus far are new furniture for the rooms on the first and second floors; new shower floors in all student bathrooms; new mini blinds for each room; and also new T.V.'s for the T.V. lounge.

Future improvements being planned for the residence hall include new carpeting for all rooms and new furniture for floors three through six which should be complete before the beginning of the Fall '87 semester.

## CSUN

### Services

The CSUN (Consolidated Students of the University of Nevada) student government provides many services that are free of charge to UNLV students. Unless otherwise noted, services are available at the CSUN offices, 1st floor of the Moyer Student Union. Some of these services include:

**Typing Room** — There are several typewriters available in the CSUN Offices for students to use. There is no fee for using the typewriters, but students must supply their own paper, white-out, etc.

**Legal Services** — Former Assemblyman, Shelly Berkley, is available to offer students free legal advice. Berkley is usually available on Thursday mornings. Appointments are necessary and can be made by contacting CSUN secretary, Gary Longfellow at 739-3477.

**Lecture Notes** — Each semester CSUN hires students to take notes in numerous major classes. These notes are then typed and available for students to purchase. Notes can be purchased on a semester or daily basis. For a complete listings of courses covered and prices please contact the CSUN secretary.

**Security Shuttle** — CSUN has two security shuttle carts that are parked outside the campus library during weeknights. Shuttle drivers will drive students from the library to their cars, to their dorm rooms or to another building on campus. The purpose is to increase security on campus. For hours that the carts are in operation please contact the CSUN secretary.

**Scantron & Bud Books** — Students can pick up Scantrons and Bud Books at the CSUN offices.

**Housing Information Board** — There is a board outside the CSUN offices where students wishing to find a roommate can get information. The board will provide information on students who have a place and are looking for a roommate to move in or rent a room in a house, and students who are looking for a place to stay.

### Personnel

#### Executive Board

The CSUN Executive Board consists of five members: CSUN President, Kirk Hendrick; Vice President, Mike Muir; Senate President, Jeff Chadwell; and ex-officio, non-voting members, Senate President Pro Tempore, Ron Zayas; and Vice President Pro Tempore, Denise Sarnelli.

Executive officers are elected at large by the students, with primary elections held in March and general elections held in April. Executive offices are held for one year.

The Executive Board carries out the daily operations of the government and serves as the students' voice to the administration of UNLV, the Board of Regents, and other officials of Nevada.

#### The Senate

The CSUN Senate, the legislative branch for the organization, has 20 seats, some of which are currently vacant. The Senate elections are held in October, and all undergraduate students meeting the necessary grade point average requirements are eligible to run.

The CSUN Constitution delegates most authority within CSUN to the Senate. The Senate disburses the funds received from student activity fees to all of the projects run or sponsored by CSUN.

**Office of Public Information** — Alfred Gomez, Chair. OPI operates various communication and informational functions such as internal and external information services for CSUN. OPI also handles the publication of CSUN legal documents.

**Nevada Student Affairs** — Tristram Harrington, Chair. This board acts as the students' advocate on political issues. The chair does considerable traveling to the State Legislature, Board of Regents' meetings, as well as occasional conferences in Washington D.C.

The NSA does research on political issues concerning UNLV students and lobbies on their behalf.

**Student Services** — Lanny Leroy, Chair. Student Services offers many services to the students, including the lecture notes, security shuttle and typing room.

## FACULTY SENATE

students serving students

The faculty at UNLV also has a senate, composed of 27 professors from various academic departments.

The Faculty Senate is composed of 18 standing committees and numerous sub-committees.

Although the senate deals mainly with faculty policies and procedures, they play a vital role in the educational policies that affect all students.

For instance, if a student is suspended from the university, he or she can appeal through the Academic Standards Committee.

Or, if a student has a problem with a professor, he or she can ask the Grievance Committee to hear his or her case.

The Curriculum Committee has a large say in what courses will be offered during the semester.

For more information on the duties of each committee and their meeting times

please contact the Faculty Senate Office room 144 of the library, or call 739-3689.

There are students on each of the faculty senate committees. Students wishing to sit on any of the committees should: 1) Call the CSUN of-

fices to see if there is a vacancy and 2) put in an application at the CSUN offices.

Student representatives to the Faculty Senate are nominated by the Executive Board during their weekly meetings.

## Student Union Information

# The MSU is a Great Place to Meet Students

The Moyer Student Union (MSU) when completed in 1968 was named in honor of Dr. Donald C. Moyer, Chancellor and President of the University from 1965 to 1968.

The Union, located in the south end of campus between the Flora Dungan Humanities Building and Frank and Estella Beam Hall, provides the facilities, programs, and services for the students, as well as the faculty, staff and alumni comprising UNLV's academic community.

The MSU is many things to many people. It serves the campus in the following ways:

As The Living Room of the University, MSU is the University's "living room", converting the University from a "house" of learning to a "home" of learning.

Moyer Student Union provides a place for men and women students to meet; a headquarters on campus for the commuting students; a place where faculty and students can develop ac-

quaintances outside the classroom; a place to entertain and be entertained at dinners, receptions, and parties; a central place to go when visitors, parents, and alumni visit the campus— an information center, lounge, and place to meet and visit with friends.

What can you find in Moyer Student Union that's of interest to you?

**Bookstore:** Located on the first floor of Moyer Student Union, this is the place you can purchase study aids, books, and other school supplies.

The Moyer Student Union Board is especially proud of the new bookstore which has become a "showcase" store in the southwest.

**Bulletin Board:** Bulletin Boards and display cases throughout the building may be used by students to publicize activities.

**Gamesroom:** The Gamesroom offers a wide variety of entertainment including the traditional table games of pocket billiards and ping-pong to the most popular

state-of-the-art video games.

**Games Tournaments** are held periodically to generate students' interest. Outdoor recreation enthusiasts can also rent camping and canoeing equipment in the Gamesroom.

**I.D. Booth:** Located on the first floor near the Information Booth, this is where one acquires his/her first University Identification Card or its replacement.

**Information Booth:** Located just inside the north entrance provides services such as general campus information, campus telephone information, coin operated xerox service, change, check cashing, the sale of postage stamps and the Lost and Found.

Students can also have their I.D.'s validated there.

**Lockers:** Books too heavy to carry back and forth? No problem! Rent a locker in the Moyer Student Union to store them. Contact the Union Administrative Office for further details.

**Meeting Rooms:** Six

meeting rooms are available for use by students faculty, staff, and outside organizations.

These may be reserved through the Union Administrative Office.

**Ride Board:** The ride board is a service designed to help students find rides during vacation and week-ends. The Board is located on the lower level near the Union Station.

**Study Lounge:** Located on the second floor of the union, is a quiet place for students to use for study purposes.

**T.V. Lounge:** Large screen TV's are available on the second floor for your viewing pleasure.

**Union Board:** The Moyer Student Union Board serves as advisor to the Director on building usage and improvements to be made in order to meet students' needs.

Membership on the board consists of four undergraduate students, one graduate student, one faculty member, one admini-

strator, one classified staff member, and one representative from the UNLV Alumni Association.

Through its Activities Board, the Moyer Student Union provides cultural, social, recreational, and educational programming aimed to make extracurricular activity a cooperative factor in education.

In all its processes the Moyer Student Union encourages self-directed activity, providing opportunity for individual growth as a student gains self-confidence in working through the complexity of interpersonal relationships.

The Activities Board is composed entirely of undergraduate students from a wide variety of academic interests.

The members work together planning, promoting and executing the events. Past programs include a Back-to-School Icebreaker Dance, Student Leadership Development Series, Valentine's Day Dance, Jobseekers Work-

shop and a Video Dance in addition to various receptions.

**Union Station:** This is the main eating area inside the Moyer Student Union. There are several fast-food restaurants featuring everything from pizza to Mexican food to ice cream for everyone to enjoy while taking a break.

**Administrative Offices:** The union is a team effort of staff and students working together to help the union toward its goals.

All of the various offices strive to provide the best possible product for its patrons. For answers to questions or information please contact:

### Student employment office has all the information for student jobs

For students looking for part-time employment, there is a Student Employment office located on the third floor of the Humanities Building in rooms 344 and 345. This office advertises many positions available to UNLV students from various employers throughout Las Vegas.

The job board is located right outside the employment office. To obtain information from the job board, you must be a UNLV student with some form of UNLV ID.

The jobs are posted on the job board under several categories such as: Clerical, Restaurant or business.

The first step is to check the job board for positions which interest you. The postings on the board will provide the following information: title and description of job, salary, and desired work hours.

Each job posted will also have a job number. Write down that job number from the listing and bring the job number into the office. Once you have shown the proper ID, you will be told who the employer is for the selected position and where that employer is located.

If you decide to pursue that job opening, you will be given a referral slip with needed information for setting-up an appointment with the prospective employer. You can receive four referrals per day.

New jobs are posted daily on the job board, so you may want to check the board often.

For the most part, employers who submit positions to the Student Employment Office are looking for UNLV students. If you are looking for a job, your chances of finding one from the job board are excellent.

## Marketing Course

UNLV has been selected to participate in a national competition program, sponsored by General Motors. Students involved will benefit by learning what goes behind a marketing campaign, from doing research to the actual production of advertisements.

The competition is very keen and top students, preferably seniors with marketing or communication backgrounds, are needed for the program.

Areas of concentration will include: Market Research, Marketing Planning, Media Analysis, Creative Art, Copy Writing, and Commercial Production.

The committee will meet every Tuesday at 3:30pm.

There is still space available, so any students interested in participating in the program are asked to contact Dr. Pinney, Chairman of the Marketing Department, during office hours. 739-3364.

**DRESSED FOR SUCCESS** — MSU Union Board Chairman August Corrales is in charge of helping to make the Moyer Student Union a better place for students.

## Greek Community Offers Friendship

There are numerous fraternities at UNLV. Most fraternities will be recruiting new members (pledges) during the first two weeks of school. Students interested in pledging a fraternity should contact Bill DiBenedetto, president of the InterFraternity Council, at 739-3882 for more information. Or call the individual fraternities listed above.

What is RUSH and how do you get involved?

Rush refers to activities specifically designed to acquaint prospective members (rushees) and fraternity members with each other. Rush functions provide an opportunity to learn more

about fraternity life in general and about the individual chapters on campus.

Rush week(s) is the first two weeks of each semester, each fraternity will have a table set up in the Moyer Student Union. This is where you can pick up more information from each chapter and a list of their rush events. You can also register for rush with the InterFraternity Council.

By registering with the IFC for fraternity rush, your name and other information (i.e. phone no.) will be distributed to all UNLV fraternities, and you will receive a complete list of all individual chapter's rush

events.

The cost is \$4 and checks can be made payable to the University Board of Regents. For the \$4, you will receive a tee-shirt, free admission to the IFC Ice-Breaker Party, and the above mentioned rush events list. The IFC rush registration form is available at: InterFraternity Council, FDH Room 301, U.N.L.V. 4505 S. Maryland Pkwy, Las Vegas, Nevada, 89154.

You do not need to register with the IFC to go through rush, but it is helpful.

We do not claim that fraternity life is for everyone, but we do know

that fraternity membership can provide an outstanding experience for those who are interested. In order to form an objective opinion, we ask that you take the time to assess what the fraternity system can provide.

### SORORITIES

The Panhellenic Association of UNLV is an organization composed of all sorority women working together for the best interest of sorority women as a whole. Panhellenic seeks to express the high ideals for which every sorority stands.

The Panhellenic Association establishes and coordinates rules and regulations governing Formal Rush and

Greek Week.

Formal Rush is an exciting, busy, fun time where you get the chance to meet with girls from UNLV's three sororities. All the sororities are national organizations with chapters at many colleges across the United States and Canada. The sororities differ in personality and have varying interests, goals, and achievements. During Formal Rush Week, you will learn some of the activities and purposes of each sorority.

The sorority girls will entertain and serenade you, proudly showing you scrapbooks and displays which il

lustate their activities and traditions. During this period you will make friends and discover what a sorority can offer you during your college career.

As the week progresses, you will have a brief experience of what it is like to be Greek. You will see the fun and sincerity of sisterhood; feel the warmth and love among sisters in each sorority.

## Dance Lab For Students, Kids

The Children's Creative Dance Lab is a program within the New UNLV Dance Department. It's origin is unique because it was developed to serve two separate but distinct purposes.

The first as a UNLV dance student research lab and the second as the only established children's creative dance program in Las Vegas.

Its primary purpose is to establish a practical research lab for the dance education majors at UNLV.

Students observe lesson materials, teaching techni-

ques, age group characteristics and physical abilities or inabilities inherent with age and/or body type.

They periodically are given Assignments to develop and teach creative lesson materials of their own under the supervision of the children's creative dance lab faculty.

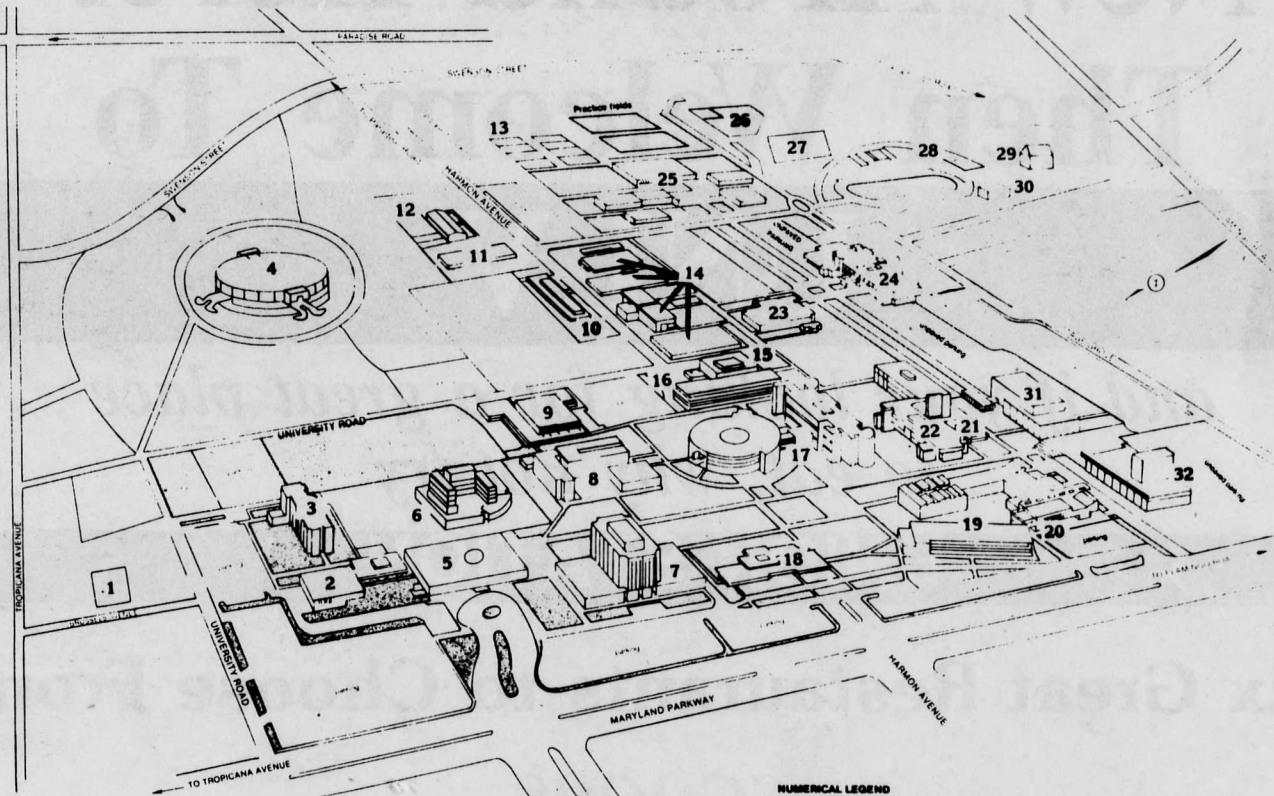

The second purpose of the Children's Creative Dance Lab(CDL) program is to offer the Las Vegas community a children's creative dance education.

The programs objectives will help the child to have new insights about himself,

about his relationship to others and about his relationship to the world.

Included in these objectives is the development of concentration skills, decision making and problem solving abilities, awakened individual consciousness, the making of discriminating aesthetic choices and of course enjoying movement for the sake of motion.
