

WHO WILL WIN?

Stephanie Headen-Taylor

My name is Stephanie L. Headen-Taylor. I am a native Nevadan. I recently married Rodney J. Taylor on August 8, 1987. He is presently active in the Alumni Association of UNLV.

I would like to give a brief description of my achievements. I am active in campus life at UNLV. I am presently a member of Alpha Delta Pi. I hold the offices of standards, registrar, and member-at-large.

I believe that my biggest achievement was deciding to reattend college.

After being in the real world, managing the pro-shop at a local health club, I realized that a college degree is the only way to attain my goals. I continually encourage my sisters to stay in school, and not make the same mistake that I had.

While school is not always easy for me, I am going to stay to the end. I have not only learned, but I have lived that, *you can't put a price-tag on knowledge.*

Angela Leigh Rowe. I was born and raised here in Las Vegas. I am 21 years old. I graduated from Valley High School in 1984. I am currently enrolled at UNLV. This is my third year at the junior standing. After this semester I'll be a senior and I plan to graduate in December of 1988. I am a Marketing major with emphasis in advertising. I have no extra curricular at the present in school however, I did cheer for UNLV the past three years for football and basketball. I work at Marie Calendar's as a hostess/cashier. My hobbies include dancing, aerobics, skiing, and other outside sports.

Angela Rowe

I am 20 years old, and I was born in Landstuhl, Germany on July 2, 1967. I graduated from Chaparral High School in 1985 with a Scholar's Diploma and now attend UNLV on academic scholarship. I am a sophomore majoring in mathematics with an interest though in public relations. I have been a cheerleader for UNLV for three years and am also a member of Delta Zeta Sorority. I like to keep active and enjoy sports, especially football, basketball, and volleyball. I like to cheer, dance, learn, and spend time with my family (my parents, sister and two brothers) and friends. I consider my family and their well-being important and what I want most out of life is just to be healthy and happy.

Valerie Pida

(Born-April 11, 1966) I came to Las Vegas in 1980 for high school. After graduating I received a scholarship in debate to Southern Utah State College. I stayed there for a year then I decided to make my way back home. I enrolled at UNLV in 1985. My major is Communications with an emphasis in Broadcasting.

My minor is French. In December I will be going to Paris for a month to see how well I have adapted to the French language. I won't graduate until May of 1989. At which time I hope the local sorority, Delta Delta, which I am a founder of, will be a well established national. After college, I'll probably leave the country to become an International correspondent.
