**NURSING WITH A DIFFERENCE.**

Army Reserve Nursing offers you something really different—the rank of Second Lieutenant. You'll get double respect. Respect as a professional nurse. Respect as an officer.

You'll also like the professional opportunities in the nearby Army Reserve Medical unit. You'll be encouraged to participate in seminars, conferences and continuing education.

Training is normally one weekend a month and two weeks annually. And it's different than anything you've ever done before. Talk to an Army Nurse Recruiter. Call us right now at:

**HERE'S ONE COLLEGE MEMORY WE'LL HELP YOU FORGET.**

If you're like a lot of people, your longest-lasting memory of college is the student loan you're still paying back. The Army has a solution, though: qualify, sign up with us, and we'll sign off on your loan. Each year you serve as a soldier, the Army will reduce your college debt by 1/3 or \$1,500, whichever amount is greater. So after serving just 3 years, your government loan could be completely paid off. You're eligible for this program if you have a National Direct Student Loan, or a Guaranteed Student Loan, or a Federally Insured Student Loan made after October 1, 1975. The loan must not be in default.

Get a clean slate, by erasing your college debt. Take advantage of the Army's Loan Repayment Program. Your local Recruiter can tell you if you qualify.
