

# VINYL FETISH *by chris cox, entertainment editor*

Here we are with summer approaching, and quite a few of you will have all sorts of time on your hands (lucky you!!!). What I have to offer you is a whole mess of albums from virtually every form of music that you can check out. Instead of throwing my personal views and criticisms at you, I figured it would be nice to simply hit you with a barrage of titles and let you spend the next three months weeding through everything yourself. Most of these records are fairly new, but I managed to add in a few that have been around for a few months (and I have almost listened to all of these!). Happy listening!

**Thomas Dolby**  
*Aliens Ate My Buick*  
EMI-Manhattan  
Haven't heard from

Tom in awhile, but this has the best production that I have heard all year!

**Dweezil Zappa**  
*My Guitar Wants To Kill Your Mama*  
Chrysalis

Frank's son is growing up to be a powerful rocker. Gets help on this from ace drummers Terri Bozio and Steve Smith. Love the Maddona guitar on the cover!

**Dancing Hoods**  
*Hallelujah Anyway*  
Relativity

Great alternative rock. Sure to be a hit on the college market.

**Big Pig**

**Bonk**  
A&M

One of the kick-butt albums of the year. A powerful female singer from Sri-Lanka, three drummers, seven vocalists, and no guitars. Ouch!

**Talking Heads**  
*Naked*  
Sire

Great band. Undeniable groove on every track. What more can be said?

**Kingdom Come**  
*Kingdom Come*  
Polydor

Metal. Art Rock. Whatever you call it, it's

got power.

**Glass Tiger**  
*Diamond Sun*  
EMI-Manhattan

New release from Canadian band.

**Admiral Tibet**  
*War In Babylon*  
RAS Records

Where can you go wrong with reggae?

**Randy Howard**  
*Randy Howard*  
Atlantis America

Well, it's country music (now see if you can guess one of the albums that I didn't listen to!).

**Lisa Hartman**  
*'Till My Heart Stops*  
Atlantic

Okay, she's cute, she acts, but can she sing? You be the judge.

**Kirk Whalum**  
*And You Now That!*  
Columbia

You must have at least one jazz sax player in

your summer collection. Produced by keyboardist Bob James.

**Joni Mitchell**  
*Chalk Mark in a Rain Storm*  
Geffen

Don't argue about this one to her fans!

**Throwing Muses**  
*House Tornado*  
Sire

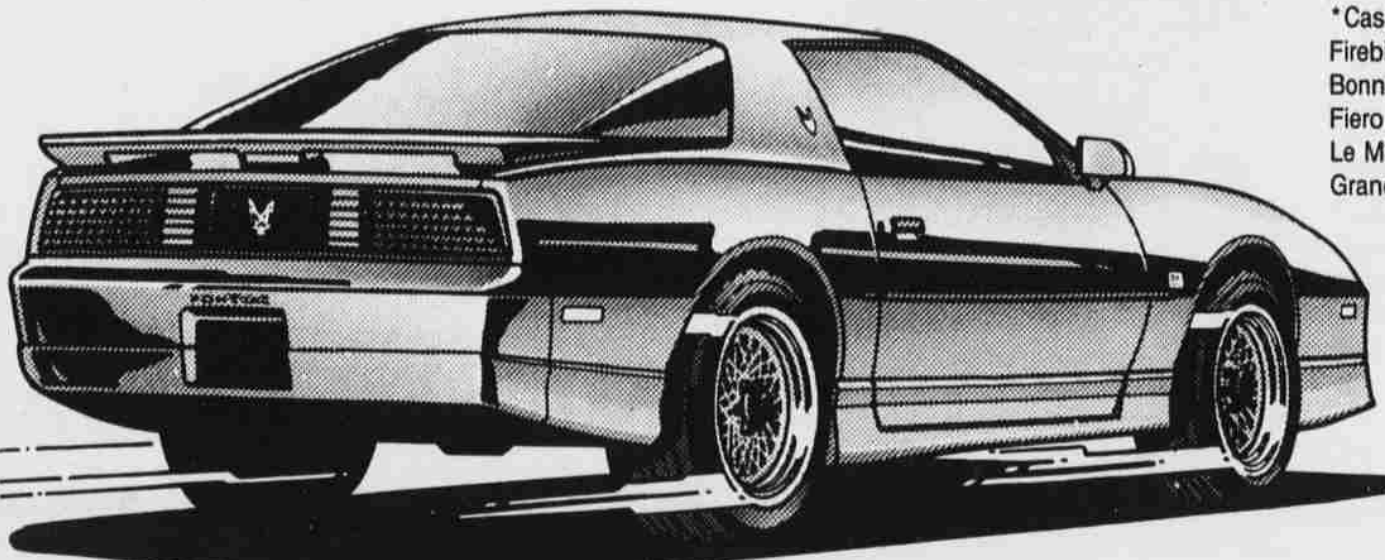

More great rock from the college radio scene.

## College Graduates...

If you will be graduating in the next 6 months or have graduated in the past 12 months, and have a job or promise of a job, you qualify for Pat Clark Pontiac's College Graduate Finance Plan. We'll put you in a brand new 1988 Pontiac (your choice). O.A.C.
