**Greenway**  
*Serious Business*  
Atlantic  
High production art rock.

**The Triffids**  
*Calenture*  
Island

Well, KUNV liked it for awhile (for whatever that's worth to you).

**The Nils**  
*The Nils*  
Profile

Childhood pals that grew up to make an alternative rock band, now that's the American dream!

**Scorpions**  
*Savage Amusement*  
Mercury

Have these guys put out a bad rock record yet?

**Longhouse**  
*Longhouse*  
Sire

New folkish singer that is destined for college radio popularity.

**The Damned**  
*The Light at the End of the Tunnel*  
MCA

A definite must if you have ever loved the Damned, or if you have never heard of them. A double album set containing the greatest hits over the past 10 years.

**Robyn Hitchcock and the Egyptians**  
*Globe of Frogs*  
A&M

Listen, and then realize why this was the No.1 album on the college radio charts.

**Neil Young and the Bluenotes**  
*This Notes For You*  
Reprise

New album from this long-time singer.

**Will and the Kill**  
*Will and the Kill*  
MCA

Charlie Sexton's brother has developed into a very powerful rocker.

**Krokus**  
*Heart Attack*  
MCA

If you have liked these guys in the past, you will like this. If you haven't, then be careful.

**Take 6**  
*Take 6*  
Reprise

No instruments, just six incredible vocalists with a strong gospel and jazz influence. Vocalise extravaganza.
