**Rebel Cliffhanger**  
You may be wondering why I've called you all together this evening. The truth of the matter is that one of you is that heinous perpetrator of classified cuts, yes one of you is the founder of that terrorist organization, the Anti-Greek league, and this evening I am going to unmask you.

You may be asking yourself, "Self, how could he have ever deduced my clever scheme to undermine the greek system?"

You may well ask yourself. I set a trap for you at the newspaper. Inside the box was a tripwire which activated a movie camera. I have you on film. And the founder is...Hey, who turned out the lights. He's got a gun! Bang, bang. Argh.
