Leadership.
A good man can handle it.
You don't have to look twice to see that this man can handle it. There is a certain strength of character, an undeniable sense of self-confidence that says he is a leader. Men believe in him because he deserves it. He will be a Marine officer.
If you believe in yourself, and would like to find out more about the kind of leader we look for, call 1-800-MARINES. Who knows, you may not have looked only further than you.
