

# YES, BUT IS IT ART?

## WHAT ON EARTH?

## RUBES

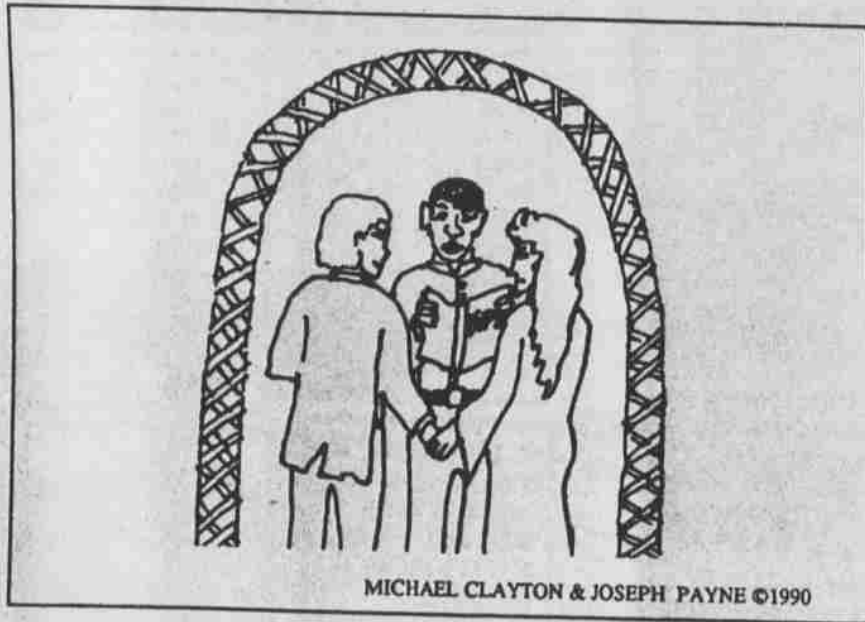

The mime's wife had long since given up asking how her husband's day had been. It was always the same answer... "Nothing much to speak of."

## DWEEZIL

It could be said that some people spend too much time watching television.

"...to have and to hold 'til irreconcilable differences, or a significant gap in income do you part."

Barry, the radical Democrat from Waukegan, tries to correct the mistake he made after he realized that he had accidentally checked the "\$1 YES" box in the "Presidential Election Campaign" section of his 1040 EZ Income Tax Form, thereby propping up the current Republican regime.
