**THE WANDERER**

ONCE UPON A TIME...  
 ...there lived a boy named Joe. He was a good boy, he got good grades, did his chores, and made his mother very proud. But then one dreadful day Joe went to college where they taught him about freedom of expression, love of life, and appreciation of being. It was then that Joe began to see his life with his own eyes & he didn't like what he saw. So JOEY became a rebel and changed his name to Joe. Soon he grew his hair long, began to wear PEACE signs, and decided to hitchhike around the world in search of the meaning of life. This of course, made Joe's mother rather sad, but for the first time, Joe was HAPPY... and thus began the story of "THE WANDERER"
