Nationally reknowned baton twirler to perform at UNLV

The UNLV Star of Nevada Marching Band will be attracting more attention this season with the addition of baton twirler, Cheri Stonehocker. Stonehocker is the former featured twirler from Mount Carmel High School in San Diego where she performed for three years.

Stonehocker maintained a 3.0 GPA while participating as a football and basketball cheerleader as well as being an active member of the Associate Student Body. For the past four years, Stonehocker has taught baton twirling at the YMCA in Escon-

At the age of four Stonehocker was introduced to twirling by her mother's interest in the activity.

"My mom taught twirling lessons when I was younger, so I started twirling through her," Stonehocker explained.

Meeting people all over the United States and being rewarded for her special talent has kept her involved with twirling.

"I was brought into it because of my mom, but it became something I was really interested in, ' said Stonehocker. She now finds herself practicing at least 15 hours a week to perfect the gift she was given.

She began twirling competitively when she was five for the National Baton Twirling Association (NBTA).

Stonehocker said of her first competition, "I was in awe about actually getting something for able to enjoy. everything I put in..." Since the age of eight, she and one world title. Stonehocker has also twirled ing for a twirler that was more trick oriented." in the 200 year celebration of the Constitution in ter her band was chosen to represent San Diego.

Winning the world title at the age of 13, said

Stonehocker will be transferring from Palomar audience will fall in love with her." Junior College to UNLV this fall and majoring in hobby and as an activity UNLV football fans will be home football game September 1.

Thomas Leslie, director of bands at UNLV, has accumulated over 750 trophies and awards, explains that when Stonehocker had sent in her including seven state titles, two international titles audition tape, he rejected it because he was "look-

But the baton twirler didn't let that stop her; Philadelphia and in the Pasadena Rose Parade af- she revised her routine and traveled to Las Vegas to do a live audition.

Leslie commented, "Her live audition was more Stonehocker, was the most exciting competition of showy. She excluded a lot of presence and projected a very vivacious image. I'm sure the UNLV

The UNLV Star of Nevada Marching Band will Hotel Management. She'll continue twirling as a begin their season when the Rebels host their first
