

The Brothers of the
Alpha Tau Omega Fraternity

Would like to thank the following Alumni for contributing over \$5000.00 in scholarship money to the ATO Blue & Gold Fund. These funds are given during the 1990-1991 school year to the ATO undergraduate chapter at UNLV.

• On Campus •

ATO dominates in academics, intramural sports and leadership.

• Locally •

ATO is equally strong in community service, business and civic leadership.

• Nationally •

ATO is recognized as America's Leadership Fraternity with over 170 chapters participating in our 'LeaderShape' conference annually.

The alumni and undergrad members of the Alpha Tau Omega Fraternity are proud of our more than 23 years in the Las Vegas community. To all ATO brothers in the community, keep up the good work and thank you!

Come check out ATO at our rush table outside MSU or stop by the ATO house behind the T&M for an introduction during one of our rush events.

The Alpha Tau Omega Fraternity is dedicated to you as an undergraduate. ATO is a social fraternity and along with academics and sports we believe in having fun.
