Rebel opinion results

The Rebel comic opinion results are in! (We thank those 4 students who actually participated.) In response to your requests, we are proud to present two NEW strips, The Fusco Brothers and Roommate-type Dudes, which can only be found in the Yellin' Rebel. We apologize to those requesting Fox Trot, but since starting Mother Goose and Grimm, we are trying not to add more comics that can be found in the other papers of Las Vegas. Thanks again!
