

# Point of View

How would you rate the new cafeteria?

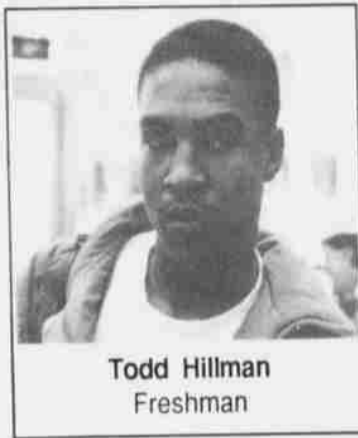

**Don Smale**  
Senior, Hotel Administration

"An improvement in looks, but I don't use it very often."

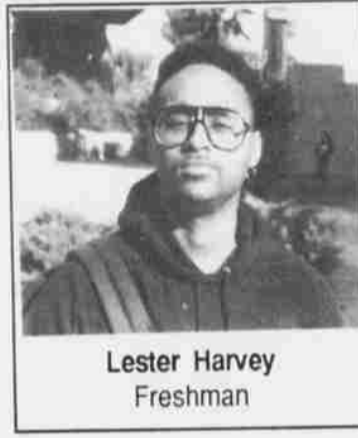

**Brian Johnson**  
Junior, Business

"You don't get enough of what you pay for, and better food can be purchased at McDonalds."

**Todd Hillman**  
Freshman

"The choice and quality are better than before."

**Lester Harvey**  
Freshman

"The food could be better."

**Leslie Stevenson**  
Political Science, Sophomore

"It's terrible. The food is terrible and the service is poor. Morning service is rude. Unless a person really has to eat there, they go across the street."
