STUDENT ORGANIZATION SPOTLIGHT

KAPPA SIGMA

On June 3, 1967, Kappa Sigma received its charter from the Kappa-Alpha chapter. Since then, we've grown from a chapter of nineteen undergraduates to a chapter of seventy-one undergraduates. On campus we have had brothers hold offices as CSUN president, as well as IFC president. We have also excelled in sports, and academics with two of our brothers, John Epperson and Mikeal Roach, receiving national scholarship awards this year. However, our greatest achievement will be hosting the leadership conference which includes chapters from all over the Western United States, on March 1 - 3, 1991. We, as the proud brothers of Kappa Sigma welcome all new members. For more information please contact Carlos Silva at 798-9552.
