

**STEP ON IT
WITH
YOUR HEAD.**

How is it that a country that imports almost half its oil can afford to waste it?

When a little thing like keeping the right pressure in our tires would save America over two million gallons of gas a day. Using lower octane fuels—two and a half million. And driving just five miles per hour slower would save still another two million gallons.

When solutions are this easy, there's no excuse good enough.

President Bush hopes you'll do your part, because when you think about it, it's not a lot to do for America.

**DO YOUR PART.
DRIVE SMART.**

VOLUNTEERS NEEDED

The Youth Companion Program is looking for volunteers aged 18 to 60 years old who would like to spend some of their free time with a senior citizen. The services the companions provide are critically needed by the people they serve and the community in general. Youth companions are invaluable for the human warmth and contact they provide. They perform the small human services that a friend would. The companions read to their clients, shop with them, take them on walks, provide transportation, write letters for them, and countless ways provide companionship. The unique aspect of this program is the ongoing and continuous one-on-one relationship that is developed between two people. For more information call Terri Anderson at 385-5147 weekdays between the 9 a.m.-3 p.m. The Youth Companion Program is sponsored by Catholic Community Services.
