*Your typical dot matrix printer.*

Let's face it. The more impressive your papers and projects look, the more impact your ideas will have.

Which is why you might want to know about the new Apple® StyleWriter® printer. It gives you crisp, laser-quality printing for about what you'd expect to pay for a dot matrix printer.

**\$360**

*The new Apple StyleWriter.*

It's compact (at just 13" x 5" x 8", it fits easily in the most cramped dorm room). It's quiet (so quiet you can print at 3 a.m. without waking up your roommate).

And it's from Apple, designed to get everything out of a Macintosh® computer that Apple built into it. Not just the power to look your best. The power to be your best.
