CHOICES INC. ADJUSTS MEETING SCHEDULE

Out of respect for Yom Kippur, the local group CHOICES, INC. will hold its September meeting on the 16th, rather than the 17th as earlier reported. Ray Rodriguez, instructor at UNLV, will address the next meeting of CHOICES, INC. at 7 p.m. that night at the Spring Valley Library. The program, titled "Awareness, Sensitivity, and Self Esteem Team (ASSET)," will provide hands-on experience building the communication bridge between teens and adults in the areas of personal choices and sex education.

CHOICES, INC. is a nonprofit organization. The meeting is open to the public and admission is free. Call 368-1645 for more information.
