

The Brothers of the Alpha Tau Omega Fraternity

Would like to thank the following alumni for contributing over \$5000 in scholarship money to the ATO Blue & Gold Fund. These funds are given during the 1991-92 school year to the undergraduate chapter at UNLV.

• On Campus •

ATO dominates in academics, intramural sports and leadership.

• Locally •

ATO is equally strong in community service, business and civic leadership.

• Nationally •

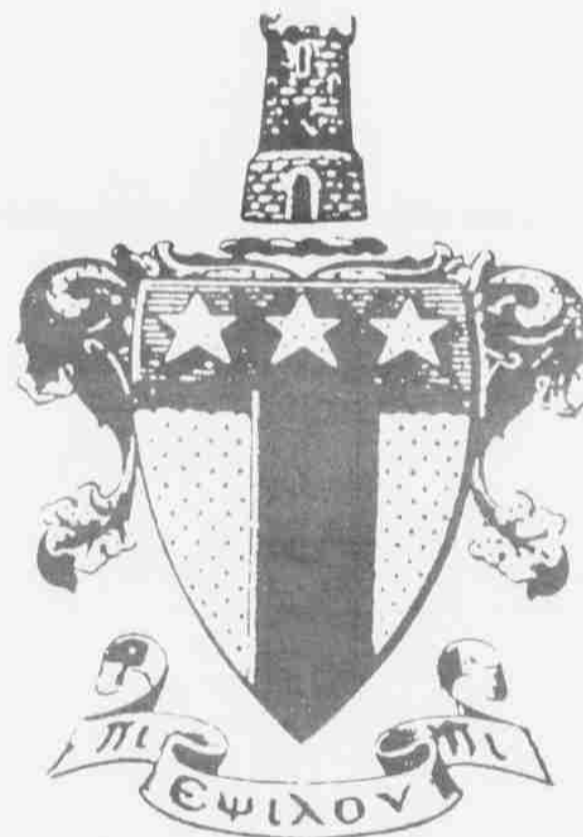

ATO is recognized as America's Leadership Fraternity with over 170 chapters participating in our "LeaderShape" conference annually.

The alumni and undergraduate members of the Alpha Tau Omega Fraternity are proud of our more than 23 years in the Las Vegas community. To all ATO brothers in the community, keep up the good work and thank you!
