Dr. Seuss (1904-1991)  
Thanks for the Sneetches and the Cat in the Hat, Vertle the Turtle and our friend the Lorax, Bartholomew and the Cuckoo, Horton hears a Who, Green eggs and ham, and Trarwick the big-hearted moose. You're only old once, but you're only young once too, and sure I had to be young, thank you very much for YOU!

Mel knew it was a longshot, but somehow it worked.
