The HOME AWAY FROM HOME PROGRAM was created just for you! We match you to a "friend family" in the Jewish community, to provide you with a caring home base, while you are going to school in Las Vegas. Our families can invite you over for visits, answer questions you might have about our community, include you in holiday celebration, etc. We can also help you meet other Jewish college students. This program can be suited to your needs. Call any of the following numbers for more information: University Center for Religion and Life 736-0887, or Sharlene at 794-2003.
