PERSONALS

Royal Knight Pickard: This story ends, as stories do; reality steps into view. No longer living life in paradise or fairy tales. I no longer feel the need to be pacified. Cause I know you've lied. With you, I found no magic potion, no horse with wings to fly. I guess I found the poison apple. I'll let that destiny die. A royal kiss from you would have saved me, no more magic spell you'll spin. This fantasy I held is over. A real life for me will now begin. I'm out in the wilderness, but I won't be cold, you threw the goodness away; and you'll find your ego grows old. Goodbye — Princess.

It's toooooo late, Alva, too late! Tooooo late. The work never really stops., Alva. I just shelled out \$15 to get you here. You better make it worth it to me — "The Vampire's Kiss."

Rob Roth in Hotel: I don't want to date you (you're too dangerous), but I just want you to know I think you're really cute.

Now, Chicken Boy goes into solitude, but he will return — **Too big to live, too weird to die!!**

Paisley, I loved you enough to set you free (and I was a fool). Now I love you enough to fight for US with all that I am. Bastante, my love (enough to survive anything). Yo Te Amo — more than words can possibly say. Bunny.
