To Sasha (in Psychology) So elegant is your profile, so perfect is your sigh, your laughter is melodious, but you know not the reason why. Nor I, but change not your manner, for it adds beauty to the earth, you give my world its meaning, which I enjoy to all its worth. I love to hear the name Sasha, as the forest loves sunny skies, few have witnessed so much grace, as you have granted my eyes. Since time immemorial, no greater fairness roamed the land, I couldn't, of you, want any more, except to hold your hand.

The Rebel Yell sincerely apologizes for the mistakes that appeared in the classifieds last issue.

To the Mystery Lady — Feeling sorrowful during the festive occasion last Friday, Michael was ordained as a knight to fight battles in the name of the porcelain god and Dave couldn't even find the festival. Perhaps we should have little festival ourselves. We received the transcripts from the Donahue episode that you made reference. To get the obvious question out of the way, are you an English major? Now to get into the meaty parts of the transcript. Did you know that we would find out that our alter-ego / namesakes appeared on the show? Can you punish us the way the professionals who appeared on the show could? Signed David (likes to be dominated) & Michael (enjoys being dominated / alternate ID: engages in S&M)
