4 THOUGHTS THAT MIGHT CROSS YOUR MIND JUST BEFORE YOU REALIZE THAT YOU'RE BEING BURIED ALIVE

The Rebel Yell Comics

are wacky, unsound, unbalanced, touched, screwy, off, nutty, nuts, non compos mentis, moon-struck, mindless, lunitic, loony, loco, fruity, deranged, demented, daft, crazy, cracked, bonkers or perhaps a little insane. Sometimes the comics are witty and thought-provoking. Look forward to the comics in every issue of The Rebel Yell and enjoy.
