PERSONALS, ANYONE?

To Sasha in Psychology To Sasha the beautiful, have I ever known one more fair? Someone to whom

no woman compares. To Sasha the graceful, have I ever seen a more elegant stride? Which no manner of clothing can hide. To Sasha the wise, have I ever heard someone more sage? With so much more judgement than your age. To Sasha the gentle, have I ever met someone more kind? A lasting impression that stays in my mind. To Sasha the desired, have I ever felt love this strong for the Sasha whom I will always long?

Dave you are just too sexy for me!! I still won our little tournament even if the wall was in my way. Are you ready for a rematch?

To the Fabulous Wests and Watrins — It's great to have the whole stinkin' family here! Love from your favorite (sorry Liz, this is my turf) Georgia.

To Sasha (in psychology) Carissima mea, Lux nova in vita mea es. Amicus pulcher es. Tibi gratias ago. Vita longa in fide vivamus. Multa felicia tempora, Totus meus amor...Robert

Dina and Angela—It takes folks like you to make dissecting a fetal pig fun. (Especially when Dina cut the eye open!) I'd hate to see you guys at work in a butcher shop or at the wrong end of a scalpel, but in lab you're fun and even marginally safe. (But still too dangerous for society!) I still have all my fingers and toes and hope my luck lasts through the end of the semester! Your lab partner in crime, The Bearded One

To the Mystery Lady — Be sure to crack your whip with authority when you command us to do your bidding in the fulfillment of the coupon. Signed Dave and Michael P.S. There's only 15 days left until the spring break that's going to make history. D (S) & M.
