PERSONALS

Ron Skrubellos Will you ever become responsible enough to repay the \$250 you owe me?

False Mystery Ladies... be damned!!! Signed D & M.

Mystery Lady followers. The Mystery Lady does not communicate with us through the classifieds. She sends us mail and we respond through the classifieds. Any thing you see in the classifieds from the Mystery Lady is a hoax! Signed Dave and Michael.

To the Mystery Lady — Spring Break was only a shadow of what it could have been if we were with you, only a pale reflection, only a dull, dull grey image. What twisted joy, what painful humor, what depressed happiness do you receive from torturing us so, not that we don't entirely enjoy all that we are caught in, either. Are there photos on their way to our office of yourself, the more obscure and tantalizing the better. Signed Dave and Michael. P.S. There are only six more issues left this semester that we can respond to you. How do we communicate after that?
