WORK SMARTER. NOT HARDER.

We're working smarter, too. So you don't have to work harder.

For us, it means an ongoing relationship with educators and professors, striving to understand what's

Like the TI-68, an advanced scientific that solves up to five simultaneous equations, performs complex numbers and offers formula programming.

Plus a whole lot more.

No matter what your major, no matter what the course, there's a TI scientific or business calculator that's right for you. Do the smart thing: make one of them a part of your professional personality now, and for the years to come.

You'll be on your way to working smarter. Instead of harder.

Try the entire line of TI scientific and business calculators at your local TI retailer.

The TI-36X SOLAR, a general purpose workhorse powered by ANYLITE™ solar cells so you never need batteries.

The BA II PLUS™ For business students, this is the one to get. It handles time-value-of-money and offers cash flow analysis for internal rate of return (IRR) and net present value (NPV).

needed to help them make math concepts come alive.

It means continually working with students like you, discovering firsthand what you expect from the calculator you select.

The result? Calculators that are highly recommended by your teachers and peers. Calculators that are perfectly matched to your major and your coursework.

The TI-81 is a perfect example. It offers the most comprehensive, easy-to-use graphing features available with extensive programming capabilities.

And there are others.
