## KICK BOXING

from page 5

Last spring, kickboxing made its competitive debut at the university level. Ziobov contends that all universities will offer a kickboxing program by next year. The CIS will hold its first student national championships next February.

Ziobov predicts the best is still to come for the sport.

"We would like to introduce it at the Olympic level, light-contact," he said.

But according to Ziobov,

there are still a few roadblocks which could delay its entry into the Summer Games.

"Far Eastern martial arts have their (different) rules in other countries," he said. "It can be difficult to make the transition (to Olympic rules)."

Financial problems in the CIS also threaten to put kickboxing on hold.

"The state support for sports is not enough, it is difficult to gain support for even Olympic

sports now," Ziobov said.

While state monies may be growing sparse, state support for kickboxing is stronger than ever. Five years ago, a Russian kickboxer was considered a felon. In another 12 years he could be an Olympic hero.

his former countryman Sergei Parhomenko, taking him down at the end of round two. Russia's only undercard victory was the opening bout between American Curtis Bush and Vladimir Popov.

The event was a fundraiser for Chuck Norris' "Kick Drugs Out of America" program. Before the event, Norris accepted a \$10,000 donation from Ringsport International. Fellow martial arts-movie actor Jean-Claude Van Damme was also present at the event.
