

BIRKENSTOCK®

**When you're
ready to
follow your
own path...**

...pick footwear that stands out from the crowd as much as you do. Uniquely crafted to give you the freedom you deserve, Birkenstock® sandals were designed specifically to absorb the shocks of modern walking while keeping your feet as bare as possible. Slip on a pair, and you'll find that their contoured, suede-lined footbeds support you and provide stability in action. The neutral heels help distribute weight evenly for lasting comfort.
