STUDENTS SERVING STUDENTS

THURSDAY, OCTOBER 22, 1992

### CSUN Quote Box

"The 22.8% increase proposed by the Chancellor's office was ridiculous. We fought our hearts out and saved the students nearly two million dollars. A 5% increase as opposed to a 22.8% increase... We can live with that."

—Joel S. Kostman  
Student Body President

Student Government would like to offer their special gratitude to:

Senator Hobreigh Fischer  
for his outstanding work on this year's "Awareness Day".  
Congratulations Hobreigh.
