Solutions from your Apple Campus Reseller:  
The holiday gift you can really use.

Tell your folks a new Macintosh will help  
you succeed today as well as tomorrow.  
It shows you're thinking ahead.

An Apple® Macintosh® computer is the one holiday gift that will help  
you work better and faster from one new year to the next. Because  
Macintosh is so easy to use. And thousands of software applications are  
available to help you with any course you'll ever take. There's even  
software that allows you to exchange information with computers running  
MS-DOS or Windows. In fact, Macintosh is the most compatible computer  
you can buy. And the advantages of Macintosh don't end when school  
does — the majority of Fortune 1000 companies now use Macintosh  
computers.\* So ask your Apple Campus Reseller to help you choose which  
Macintosh to put at the top of your holiday gift list.

Macintosh. It's more than a present, it's a future.
