Why Are These Students So Happy?

Because none of them are GOING BARE!

Like most students at UNLV, those pictured above are properly covered with STUDENT HEALTH INSURANCE. They're protected by Blue Cross and Blue Shield of Nevada, the official carrier of student health insurance at UNLV.

Students who don't have coverage are known in the health insurance world as "Going Bare" because they're taking some potentially devastating risks. An unexpected accident or illness might cost them their education if they aren't prepared to pay the medical and hospital bills.

If you are GOING BARE it is to your advantage to visit the student health center. They have information about Blue Cross and Blue Shield's well-known quality coverage and affordable student rates. It costs nothing to find out... and it can save you plenty!
