OFFICE OF THE PRESIDENT

January 1993

Dear UNLV Students,

Welcome back to the Spring Semester of 1993!

UNLV's Student Government has a great deal in store for this semester which will also include dance/parties, lectures, culture awareness events, musical entertainment, our famous annual scavenger hunt, and many other important services.

In keeping with our motto, "Students Serving Students," we offer to you scantrons, blue books, pencils, roommate referral and notary public services, and legal counsel free of charge. Lecture notes and typewriter rentals are also available for a nominal fee.

In goal to serve students on all parts of UNLV's campus, we would like to announce the opening of the Student Government/College of Health Sciences Student Annex. The annex will serve students on the northern end of our campus in providing many of the same services as our main offices located in the Moyer Student Union.

Please feel free to visit both the new student annex, and the student government offices in your student union. Get involved in any way that you can in issues that affect you as a student, and remember that we are here for you.
