

Just a fraction of what we spend on entertainment could be music to someone's ears.

If we all shared just a small part of our extra money and time, we could turn up the volume on some of society's problems.

Like the homeless. Hunger. Or illiteracy.

Millions of people have helped establish five percent of their incomes and five hours of volunteer time per week as America's standard of giving.

If we all reached this standard, we could generate more than \$175 billion every year. With a force equivalent to 20 million full-time workers.

This year, make it your goal to give five. And help pick up the tempo in your community.
