The tutoring center is offering tutoring for the Spring 93 semester in the following subject areas in the most requested course numbers:

Accounting, biology, chemistry, economics, english as a second language, french, hotel accounting, math, physics and spanish.

Students can begin signing up for tutoring January 25th, and tutoring officially begins February 1st. April 9th will be the last day to sign up for tutoring and tutoring will end April 25th. Students can qualify for free tutoring if they are low income, have a disability, are a veteran or athlete, or are involved in the minority engineering program. Students who do not qualify free tutoring can receive it at the low cost of \$4.00 per hour. There is an \$8.00 refundable deposit required on sign-up. For more information, call the Student Development Center 895-3177.

## Grand Opening

### Student Government/Health Sciences Annex

### Friday, January 29<sup>th</sup>

Are you in one of these colleges? Engineering, Health Sciences, Science and Math, Fine and Performing Arts, Education and Physical Education. If you are, then you're probably tired of having to hike across campus to the Moyer Student Union just to relax. Well, no more hiking. Be sure and visit Student Government/Health Sciences Annex. Grab a snack, kick back. The annex is located adjacent to the Biglow Health Sciences building.
