Solutions from your Apple Campus Reseller:
a lot of Macintosh for an affordable price.

The best investments start with inside information.

Built-in video support lets you add up to a 16" Apple display with 256 colors.

It runs over 4,000 Macintosh programs, which all work in the same, consistent, intuitive way.

A screaming 25 MHz 68030 microprocessor helps the Macintosh LC III computer run up to 50% faster than its best-selling predecessor.

Its internal disk drive comes in three big sizes: 40MB, 80MB or 160MB. So you can store lots of papers, letters, notes, ideas.

The new Apple Macintosh LC III.

Add up to seven external hard disk drives, scanners or other devices through the SCSI port.

A built-in SuperDrive™ disk drive reads from and writes to Macintosh- and MS-DOS-formatted disks.

4MB of RAM is standard. For complex graphics or engineering programs, you can even expand your LC up to 36MB.

When you know what we've built into the new Macintosh™ LC III computer, its low price tag looks even better. It's the successor to Apple's top-selling personal computer—the Macintosh LC II. And it has even more speed, power and flexibility. Plus built-in networking, built-in file sharing and more. See the new Macintosh LC III today by visiting your Apple Campus Reseller. Where you'll get special student pricing, as well as service during college.* And discover the power of Macintosh. The power more college students choose. The power to be your best. 

For further information contact User-Liaison UCCSN Room 200, 597-4585 or contact our dealer at Century 23 • 870-1534
