**TYPES OF DADS**

"When I was a boy of 14, my father was so ignorant... But when I got to be 21, I was astonished at how much he had learned in 7 years." —Mark Twain—

- The Over Reacting Dad**: You're not going out dressed like that! Are you? My god you're half naked! Why don't you take off all your clothes and carry a big sign that says: "RAPE ME! RAPE ME! RAPE ME!"
- The Forever Young Dad**: So are you gettin' any good weed up at school? Hey, it's cool, I snort it sometimes too ya know. Did you get that new album by Black Food... yea that's what I meant... Black Crowe. It's really really hot... uh... Home-boy.
- The Reclining Dad**: Oh hi. What are you doing home? Is it Christmas already? What? You graduated? Hey that's super. Listen while you're up could you make the TV just a hair louder?
- The You Got It Made Dad**: When I was your age I had to walk 53.5 miles every day. And that wasn't to school either Mister! That was to the Asbestos factory! I'd work for 40 hours, and then I'd walk another 50 miles to school! And back then we didn't walk on our feet like you kids do today. We walked on our hands! BACKWARDS!!
- The Burned Out Dad**: Do what you want. God knows I can't stop you. Why should you care what I think anyway? I'm just your father. If you want to ruin your life that's fine with me. As long as you graduate.
- Il Duce**: As long as YOU are under MY roof and I am paying the bills, then YOU will do what I say. When YOU start paying the bills then YOU can do what YOU want. But until that time arrives then YOU will do what I say. Do YOU understand what I am saying to YOU or do I have to...
- The Don't Let Mom Hear Dad**: Hey how'd that date go last night? Mhh? Mhh! Did she put out? Heh heh heh, yea I was young once too ya know! Oh jeez, don't let your mother hear me for cryin' out loud!
- THINGS DADS SAY WHILE PAYING BILLS**: Turn that Damn music down! Don't make me come over there! You'll do it, and you'll like it! Don't talk to your mother like that! What do I look like? A bank?! Oh God, please just take me now!! Wipe that smirk off your face! Go get me an aspirin. Never mind what I do, just do what I say! Tell mommy to fix me a little drink. This is going to hurt me a lot more than it's going to hurt you.
