The Answer to the Test Question

IN THE ARMY, YOU'LL TAKE CHARGE IN MORE WAYS THAN ONE.

There's an added dimension to being a nurse in the Army. You'll have increased health care responsibilities. And you'll enjoy the respect and prestige that come naturally to people who serve as officers in the Army Nurse Corps.

You'll be a respected member of an exceptional health care team. Your opinion and counsel will be actively sought and listened to. And you'll have the opportunity to practice nursing in a variety of environments, from high-tech military hospitals to MASH units, from flight lines to field hospitals, in the United States or overseas.

Here are some of the reasons to consider becoming an Army Nurse: good pay and benefits, opportunities for continuing education in your chosen specialty, seniority that moves

with you when you do, and job experience you can't put a price tag on. Discover the Army Nurse Corps difference. Talk to an Army Nurse Recruiter today.
