September 1993

Dear Fellow Students:

Welcome to the Fall Semester of 1993! Whether you are a returning, transfer or newly-enrolled undergraduate, UNLV's Student Government is here to serve you.

Located in Room 160 of the Moyer Student Union, the main focus of our Student Government Executive Board, Senators, Board Directors and staff members is to better serve you ... the student.

We are currently recruiting student senators to represent undergraduate students in their respective colleges. The deadline for filing is Thursday, September 14, 1993 at 5:00 p.m. UNLV's Student Government is a non-profit student organization with a nearly \$600,000 budget. Aside from representing your respective constituents, you will take part in the apportionment of Student Government's allocated budget.

If you would like to file for a senate seat; become an active member of one of our six administrative boards; represent students on the Faculty Senate committees; get involved with the judicial branch; or just would like to join one of our many recognized student clubs and organizations, stop by our offices between 8:00 a.m. and 8:00 p.m., Monday through Friday.

Don't forget: Student Government also provides a wide variety of services to the students. Among those are free legal counseling, security shuttles, roommate referrals, pencils, exam sheets and booklets, courtesy phones, notary public service, rental typewriters, and many other valuable services that we hope will make student life at UNLV much more pleasant and enjoyable.

We do hope that you will choose to take an interest and make a difference in your student government, and become part of the new team geared towards "Students Serving Students!"

We all look forward to seeing you soon. Hope you had a great summer!
