

Horoscopes

By Vaedra Roseman-Sowerby

Aquarius (Jan. 20- Feb. 18)
Alas! That person who you have secretly devoted your life to is finally aware that you exist. They are even interested in you. Respect authority for once in your life, it may save you a great deal of money. Your color for today is green with tiny yellow stripes.

Pisces (Feb. 19- Mar. 20)
What you did last night is totally inexcusable. Someone is having a very hard time trying to forgive you. Hurry up and make the necessary apologies before it is too late. Your color for today is black.

Aries (Mar. 21- Apr. 19)
Don't allow yourself to fall prey to society's whims. Stick to your principals no matter what befalls you. The outcome will be good in the long run. Your color for today is anything American (red, white, or blue).

Taurus (Apr. 20- May 20)
The last thing that you do today will be the most important of the week, note it well. Anyone who is unusually nice to you today is up to something. Watch your back! Your color for today is metallic blue.

Gemini (May 21- Jun. 20)
The one thing that you simply must do today is to figure out why you can't get that 'thing' off of your mind. Give yourself some space today, go somewhere alone for a while. Get in touch with yourself, know yourself, love yourself.

Cancer (Jun. 21- Jul. 22)
Sit back, relax, and take a load off. Life is not as bad as you make it seem. The only way to broaden your horizons is to get rid of that hideous stereotype that is true to you only. Your color for today is anything but orange.

Leo (Jul. 23- Aug. 22)
A large green leaf will fall in front of you today; if this happens, throw it up into the air and head in the direction that it lands. If done properly, this can lead you to some form of treasure. Your color for today is gold.

Virgo (Aug. 23- Sept. 22)
The only way to shake that annoying student who seems to worship the very ground that you walk on is to do some disgusting deed that will cause him/her to lose all respect for you. Your color for today is booger-green.

Libra (Sept. 23- Oct. 22)
Your compatible signs for today are Cancer, Leo, and Capricorn. This is not good. All of these signs will have at least one representative who literally falls in love with you. Be careful! These are some of the most passionate signs.

They are also not afraid to fight for their beliefs. Your color for today is red, the color of love.

Scorpio (Oct. 23- Nov. 21)
Go! Scorpio! Go! You will perform some mystifying deed that will make you famous on campus. Don't let it go to your head. Remember to make time for the little people in your life. Your color for today is blue.

Sagittarius (Nov. 22- Dec. 21)
Watch your calorie intake, you are starting to get ripples where they surely do not belong. People are starting to notice so it must be out of hand. Do a bit of cleaning and you will find something important. Your color for today is turquoise.

Capricorn (Dec. 22- Jan. 19)
If you hear any Michael Jackson song off of the "Thriller" album, great things

will befall you. For best results try to listen to it on the wrong speed. Your colors for today are white, green, orange, blue, red, yellow, brown, pink, and lavender.
