played at Rutgers. Hamasi Amani-Dove scored 20 goals a year ago. UNLV has never played Rutgers.

Also playing in the Classic this weekend but not facing UNLV will be Washington. The Huskies were 1992 Mountain Pacific Sports Federation champions and are 0-2 entering this weekend. Washington fell to North Carolina-Charlotte, 3-2, and Wisconsin-Green Bay, 2-1, at the Portland Tournament. All-MPSF senior forward Erik Penner had 23 points with 10 goals and three assists in 1993.

TOURNEY

The Rebels' victory came on a last second shot from freshman Todd Trevino with only five seconds left in the game.

"Todd made an excellent shot," Barto said. "It helped us to pull out the victory."

Sophomore Phillip Detmer and freshman Damon Bradshaw also scored in the match.

"We had a great expectations for Damon, and it was good to see him score in his first game," Barto said of his highly-touted recruit.

The Rebels' loss to Creighton was a stronger showing than last year's 8-2 loss to the Bluejays at Peter Johann Field. The two teams played in front of 3,397 fans at Tranquility Park, the third largest in Bluejay history.

UNLV was stifled by Creighton's defense, being shut out in the season opener.

"The Bluejays played a tough match," Coach Barto said of Creighton. "Their defense did a terrific job of shutting us down."

Creighton dominated play start to finish, outshooting the Rebels 25-8, including 12 on goal to just three for UNLV.

The Rebels were hammered twice by Creighton freshman forward Zion Renfurm. He scored off a rebound late in the first half and then again at closer range just 58 seconds into the second half.

Three Rebels were named to the all-tournament team - freshman goalkeeper Dan Abdalla, sophomore forward Michael DuHaney and freshman defender Damon Bradshaw.

UNFORTUNATELY, THIS IS WHERE PEOPLE ARE PUTTING TOO MANY RETIREMENT DOLLARS.

Every year, a lot of people make a huge mistake on their taxes. They don't take advantage of tax deferral and wind up sending Uncle Sam money they could be saving for retirement.

Fortunately, that's a mistake you can easily avoid with TIAA-CREF SRAs. SRAs not only ease your current tax bite, they offer a remarkably easy way to build retirement income—especially for the "extras" that your regular pension and Social Security benefits may not cover. Because your contributions are made in before-tax dollars, you pay less taxes now. And since all earnings on your SRA are tax-deferred as well, the money you don't send to Washington works even harder for you. Down the road, that can make a dramatic difference in your quality of life.

What else makes SRAs so special? A range of allocation choices—from the guaranteed security of TIAA to the diversified investment accounts of CREF's variable annuity—all backed by the nation's number one retirement system.

Why write off the chance for a more rewarding retirement? Call today and learn more about how TIAA-CREF SRAs can help you enjoy many happy returns.
