

# Scout

continued from 7  
number of quality sports films to his credit. *The Bad News Bears*, and *Diggstown* are two films with heavy sports emphasis. Make no

mistake about *The Scout*, it is not a "baseball movie". The fact that Nebraska's talents were so grossly exaggerated shows that baseball is only the vehicle that brings them together.

So, if you want a film that is filled with on-field action, rent

*Major League*. But if you want a film that is filled with witty dialogue, interesting characters, and a good story, go see *The Scout*. There's enough baseball in the film to satisfy those cravings, and enough of a story to keep your attention.
