A&E NEWS BRIEFS

Don't look so sad Adam. Due to ridiculous ticket prices and awful promotion Adam Sandler has been cancelled. Don't worry though, Jackie Martling will perform Saturday at the Riviera and he's much funnier.

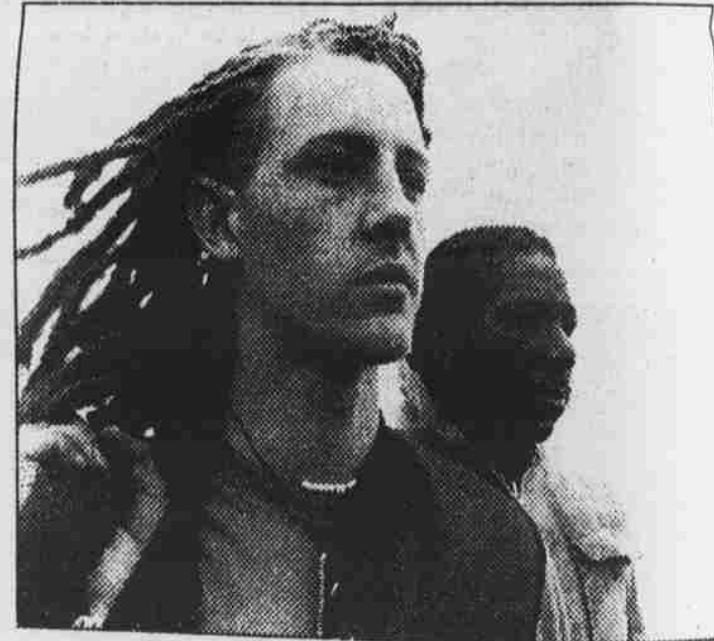

As predicted by *The Rebel Yell* Entertainment section last week the Adam Sandler show was cancelled. The fax did not say why. It may be rescheduled for March but hopefully CSUN will think about booking bands with names that will sell out the Thomas & Mack or the smaller Ar-

mus Ham Hall. The profits could then be used towards bettering the school for the students. It makes too much sense for CSUN to book bands like **Green Day** and the **Beastie Boys** who could easily sell out the T&M.

MTV. MTV will be casting on campus Feb. 8 at the Alumni Amphitheater. MTV will be broadcasting their show from Lake Havasu. They will be casting for contestants on their hokery shows like *Spring Break Talent Show* and *MTV Jams Live*. If you would like to make a fool of yourself on national cable TV, be out at the Alumni Amphitheater on Feb. 8. For more information call the Spring Break hotline at (212) 258-7770.

Courtney Love. Rumours about the death of Kurt Cobain are getting louder and louder in the record industry. Now a private investigator is claiming that Courtney had Kurt murdered. He is willing to prove it. He wants her to sue for libel so he can prove these accusations in court but she won't go to court.

(above right) **Nick Gomez's** new film *New Jersey Drive* is the highlight of the Sundance Film Festival. (right) **Parallel Sons** also premiered at Sundance last Saturday, though it didn't hold a candle to Gomez's film.
