

## Nevada

from pg. 9  
clear-cut favorite to win the conference.

"We can turn a disappointing season around in a 60-minute game," Horton said. "We can knock (UNR) out of the bowl picture like we did last year and we can gain momentum going into our final three home games."

While most teams this year have run the ball at the Rebels,

the Wolf Pack will be sure to launch an air assault.

"We have got to get pressure on Maxwell to win the game," Horton said. "Last year we got to him and he made mistakes. We have to do that (Saturday)."

Horton cites an aggressive defense and a running game as the key to victory.

"They are very explosive on offense. We have to establish a running game to keep their offense off the field," he said. "We need to be aggressive on

defense. We can't back down."

UNLV will try to break its pattern of negative streaks that have plagued the team all season:

- UNLV has lost five straight.

- The Rebels have failed to score in the first quarter all season long.

- They have lost seven-straight road games dating back to a win against New Mexico State on Oct. 1, 1994.

- The team has given up over 50 points in its last five games.

- The Rebels have not won at UNR's Mackay Stadium since 1979.

"We have to play our best game of the season to beat them," Horton said. "We can't play cautious or scared. We have to play physical and with emotion. If we are hesitant and don't take it to them right away it may be hard to win."

The Rebels are coming off a bye week which gave the young Rebels time to build confidence. During Monday's practice the team showed more emotion than in the past weeks. Horton has talked to the team about the importance of the rivalry and how much tradition is involved with the Fremont Cannon.

Most of the Rebel starters were not around or did not see time in last year's match up. The players still understand the importance of the game.

"This is my first time to play (UNR)," running back Tony Burton said. "We have to show how big our hearts are and put everything we practiced on together. We need to come together as one and give it 110 percent."

Starting tight end David White, who leads the team in receptions with 21 for 245 yards, caught a pass in the win against UNR last season and knows the strength of the rivalry.

"Coming from little league to high school to junior college, last year's game was the greatest I have ever been a part of," he said. "This year our bowl chances are slim to none. By winning we could keep the cannon and ruin their bowl chances. A win would make our season."

UNR has won three straight games and is coming off a 49-45 road win over Louisiana Tech.

The game will be broadcast live on KUPN-TV, Cable Channel 2, at 1 p.m. Saturday.

## UNLV golf finishes second in tourney

### Rebels fall to No. 2 in polls

BY RAY BREWER  
STAFF WRITER

The second ranked Swing-in' Rebel golf team was back in action this past weekend as they traveled to Birmingham, Ala. to compete in the Jerry Pate National Intercollegiate classic.

In the 30-team field, the Rebels started the first day off in a tie for fifth place with Oregon State and Arizona State. UNLV team leader Chris Riley was tied for second place overall in the individual competition.

On the second day of play, the Rebels cut six shots off their deficit to trail leading Arizona by only seven shots, moving up to second place on the team leader board. They shot a five over par 293 for a 592 total for the tournament.

Individually, Chris Riley stayed in the hunt by shooting a one over 73 for a two-day 145 total. After the second day, Riley was down one spot to third.

The Rebels finished the tournament out in second place, five shots behind tournament champions Arizona State, shooting an 887 for the three-day event. The Sun Devils passed the Rebels in the final 18 holes of the match. UNLV finished the third round of the tournament with a 295.

Riley was the Rebels top golfer with a 215, and a 70 in the final round, which was good for third in the tournament in the individual scores.

## IF AT FIRST YOU SUCCEED, TRY, TRY AGAIN.

In the latest DALBAR Consumer Satisfaction Survey, a comprehensive study of 2,000 financial service companies — banks, mutual funds, brokerages, and insurers — TIAA-CREF was voted the leading provider of retirement plans.

We'll try to do better next time.

Not that we mind the recognition, it's just that a lot of people expect nothing less than the best from us. Over 1.8 million individuals in higher education and research, to be exact. And frankly, so do we.

Day after day, for over 75 years, we've put everything we've got into giving our par-

ticipants all they need to help fulfill their financial goals and long-term expectations.

In the years to come, we'll work even harder to enhance the level of personal service and innovative solutions we offer to help them build a secure and rewarding tomorrow. Maybe that's why so many of the best minds in the nation trust us not just with their money, but with their future.

## Swiss Scientists Discover New Energy Product

Lugano, Switzerland—After 25 years of research Lightning 828 was developed with the help of Swiss Laboratories. After extensive testing with amazing results, Lightning 828 is now available in the United States. Scientists are amazed at Lightning 828's results on improved memory, attitude and athletic performance.

In a double blind cross-over trial on university students in Italy, Lightning 828 was given twice daily for 12 weeks. The results were astonishing. Students obtained higher scores in math, logic and physical education.

This new discovery has been a wind-fall for working and active people that seem to run short of energy around mid-afternoon and need a little extra lift. Lightning 828 when taken in the morning gives a sustained, balanced form of energy throughout the day.

During an interview in Chicago, a beautician stated, "I used to go home exhausted after being on my feet all day. Now it's just incredible. I go home with extra energy and really enjoy my family more." Lightning 828 is a necessary boost for students, professionals and senior citizens.

Look for a trial size of Lightning 828 at your local convenience store and 60 count bottles in most Kmart pharmacies including:
