**We saved  
at the  
UNLV Bookstore!**

The UNLV Bookstore is the official on-campus bookstore located in the Moyer Student Union. We are also the only bookstore that carries every single title for every single class offered at UNLV, including books for the new Law School.

From August 15th through October 31st when you use your MBNA-UNLV MasterCard\* you'll pay no interest on purchases (of \$100 or more) for ninety (90) days! Ask how you can save your cash AND buy your books with this exciting program.

The UNLV Bookstore is the best place to find a broad range of official UNLV apparel and giftware. Celebrate your Rebel Spirit with a shirt, coffee mug or license plate frame. Your choices are virtually endless. Student groups, such as fraternities, sororities, organizations and clubs can order custom t-shirts at a discount to use for fund-raisers or to commemorate events.

The UNLV Bookstore also offers academic prices on software and we won't be undersold. In fact, we beat any price in Las Vegas on such popular titles as Microsoft Office and Adobe Pagemaker. We'll guarantee qualified students get the best prices in town.

Remember to shop the UNLV Bookstore — we're the only bookstore where you can find ALL your textbooks, official Rebel clothing and gifts, and academically-priced software right on campus.
