

# DECLARE

BY CLAIRE DASE

Heard that the ever popular Sophie Katzman was a little under the weather, hope you feel better real soon.

Get well wishes are in order to Debbie Cass, whose husband, incidently will soon take an administrative position at Southern Nevada Memorial Hospital, to Moe Triner and to Freda Isquith, all useful and liked members of the community.

Harry Cobb, husband to Sonia Cobb, has been up and down, feeling pretty badly, please get well soon, for we miss your benevolent smile and warm presence in Las Vegas.

Heard Dr. Walter Ackerman discuss the workings of Camp Ramah. It is no small wonder that Rabbi Gold is stressing the need for funds to help send as many children as possible. The care devoted to the youngsters by the best of medical staff, the qualified teachers devoted to their jobs, and the facilities, physically and mentally are of the highest standards. Please be generous, and answer Rabbi's appeal.

The newly formed group of Presidents from all the Jewish organizations, are working superbly together so as to help each other, thereby avoiding as many clashes socially, and with affairs of interest to all groups concerned, for the

future. Their endeavours include helping each group understand itself and the needs of the community, and visa versa which will be an asset, not offered to the Jewish community in the past. Here's good luck in your new venture, and may it prove to be the successful meeting point for all concerned.

A big event coming up in the future will be the B'nai B'rith Convention, to be held in our own fair city July 18th thru 22nd. The main headquarters will be the Dunes hotel, and over 1,000 representatives are expected to attend it. Anyone from the organization itself, interested in participating and helping can contact Eileen Brookman.

## Barney Glazer's Hollywood

COLUMBIA PICTURES and National General's executive leaders, including Irvin H. Levin, Abe Schneider, Leo Jaffe, Mike Frankovich, Sol Schwartz, Stanley Schneider, et al, met the press at Columbia Studios, and announced a combined program of astronomical proportions to make and distribute an ample supply of costly movies.

These gentlemen agreed to join brains and money because each feels that the other has much to contribute to lift the industry out of its current production shortage. For example, Bud Yorlkin

will direct and Norman Lear will produce two important films. These boys know how to make movies, good ones, for sure.

Columbia and National General can't possibly miss with "Divorce, American Style," Lear's original satire on the spectre of divorce in our society.

Another surefire release will follow - "What Are Little Girls Made Of?" a comedy based on Muriel Resnik's book, "Girl in the Turquoise Bikini," with screenplay by Oscar Saul.

Muriel, sans benefit of a cigar, is the young lady who wrote the smash Broadway show, "Any Wednesday."

railroaders holiday, for has gone, via train, to No. Carolina to visit daughter, Mrs. Robert (Anita) pounders, and three grandchildren whom he has never seen. The rest of his brood, five in all, miss his presence, but are glad that he could eventually take this chance of going, for life is short, and who knows what tomorrow may bring.

## Tea Anyone?

Sisterhood is sponsoring six Sunday afternoon teas, so that our members will have the opportunity to meet with Rita Gold in small groups. The entire membership will be invited, a section at a time, to one of the open house teas. We hope that the Sisterhood members will respond to their invitations as received so that the individual hostesses will know how many guests to expect. First session is this Sunday.

Dr. O. Shelkohn, who delivered thousands of babies into this world, became a proud grandfather on Tuesday, Feb. 16, when darling Kayleen, 7 pounds, 11 ounces was born to the doctor's daughter, Eileen and her husband, Jim Dunson.

Said group are having a Rummage sale in Carver Park, in Henderson, March 26th, for information on this matter contact yours truly at 382-6283.

Don't forget the Cantorial Concert, to be held on March 21st, this will be an

outstanding highlight of the season. Understand it will be run on a slightly different angle this year, but what ever it may be, this is a must for all music lovers throughout the community. Cantor David Kusevitsky is world famed, and classified as the best in his field. Book the date, and let us see you there.

Rabbi Gold will be installed as Rabbi to the congregation Feb. 28th, prior to which will be a weekend of celebration. The Friday before will be dedicated to him, the Saturday night, the U.S.Y. group, God bless them, are giving a dance for him and his lovely Rabbitsen, and Sunday morning the religious school will install him in their own inimitable way, climaxing the whole procedure, will be the Sunday night service and celebration to which all are invited. Please come, and bring all your friends, for the name of Rabbi Gold is already far reaching in Las Vegas, and no nicer way to show your feelings towards him and Rita, could be other than to be there to shake their hands, and really show them we are his people, and he has a fold that loves him.

The Senior Citizens of the Archie Grant project are both happy and enthusiastic about their Art Classes, which commenced this past week. It would be good for all organizations to participate in the council under the chairmanship of Eileen Brookman, for a greater satisfaction would be hard to find. Still need white shirts for Johnny coats, and sheets for Cancer pads.
