Dear Jack:

As you know, I recently sold my household possessions. Principle sale advertising was published in the Las Vegas Israelite classified ad section.

The response to the ad was astonishing. All major pieces, including valuable objects 'd art, were sold during the first morning of the sale.

Indisputably, the Las Vegas Israelite ad was the vehicle which attracted consumers able to purchase my fine possessions. That fact was established when I queried purchasers about how they learned of the sale.

Thanks, and best regards.
