Time goes quickly. Our Rabbi, has been with us for one year now, and one has to admit many changes have taken place. May you always have good health, and the stamina to put up with such a diversified community.

Now, when you see Eddie Moss, you can call him "Grandpa." Daughter Teri and her husband Brian presented him with a boychild. Need I tell you how happy this baby has made this wonderful family? I guess not. We all wish you lots of happiness and good luck. Mazel Tov.

Linda Moss, daughter of Mr. & Mrs. Ben Moss, one of the Distributive Education students now working as an apprentice legal secretary for Foley Bros. She is a niece of Eddie Moss.

Mr. & Mrs. Martin Exber brimming over with pride as they watched their 6 year old daughter Resa making her debut as a model in one

of the fashion shows held at the El Cortez Hotel. Naturally grandma and grandpa (Louis Exber) were there too.

Mrs Nick (Millie) Scott, injured her leg last Saturday on her way to the reception for Scott Benedict's Bar Mitzvah. Hope you feel much better.

Please excuse the error in your name Ann. It should have been Bloomenthal. I mentioned the fact that altho Ann and her husband were busy with the Sombrero Motel, she still found the time to give to the Rose de Lima Mardi Gras affair.

Janie & Jackie Leonard (Sands executive) celebrated their 11th anniversary by toasting each other so that many more years are spent together. He says his darling is a gem and who knows perhaps that is just what she received. Janie is an active Hadassah worker too.

Belated anniversary wishes to Goldie and Bernard Perlove (Stardust executive) This is their 28th year together and may there be many more.

Ann & Julius Walker back from their Mexico trip and she is most willing to tell you all about it.

Al and Leah Foster will be going to Israel instead of Japan.

Reva Schwartz nursing a pretty sore hand and all because of a grandening accident. Reva slipped but the scissor didn't. Her right hand necessitated about a half dozen stitches.

Mrs. Joseph (Irene) Chenin who has been painting since she was 10 years old is exhibiting at King O The Sea. So while dining, you can too see what all local can do

correc

too see what a local can do in the way of painting for a hobby.

Rita and Dave Bliss will be back from Miami Beach before you read this.

Berie Siegel all smiles as her beautiful daughter Teri was selected to be the Junior Prom Queen of Las Vegas High School. Teri is Varsity Cheerleader although she is a junior. I know how important this can be as my daughter Francine was Varsity Head Cheerleader and this came first at all times. Good Luck to you Teri.

Those gals who attended the donor party for Hadassah were delighted at a surprise skit produced and directed by Mrs. Harry (Kay) Wallerstein.

Neil Leppo, (Sand Health

Club) showing his mom and pop our town. His charming wife Louise natch, accompanies them on the tour.

The community will be minus a Community Sedar this Passover, and all because the reponse was poor.

Leibel and Shirey Kravits grinning from ear to ear. Their older son Bob, who is a freshman at the University of Denver, made all A's the first third of the term and their youngest son Martin, who is a student at J C Fremont school, did likewise for the first half of his semester.
